DISARMING THE GENTILES of their guns is not dissimilar to forcing air travelers to remove their shoes in TSA lines.

Under the guise of “protecting” Americans, what really occurs during the TSA screening process is the *emasculat*ion of male travelers via the shedding of shoes, stripping of belts (with which guns are associated), the forced ‘surrender’ in Chertoff’s Porno Scanners, and the mandatory penis and buttocks grabbing by a male assist.

The subliminal message is clear:

To humiliate, weaken, dehumanize, and most importantly, to *desensitize* American citizens to totalitarian rule—of which—Jewry **holds** all the political levers of control.

The Jewish programme of totalitarian rule is fully spelled out in the **Protocols of the Elders of Zion**, a blueprint for international Jewish hegemony **penned** by Jewish financiers and activists at the turn of the 20th Century.

In **Protocol #5** the Jewish Elders state:

“We shall create an intensified centralization of government in order to grip in our hands all the forces of the community. We shall regulate all the actions of our subjects by new laws.

“These laws will withdraw one by one all of the indulgences and liberties which have been permitted by the Goyim.” [View Entire Story Here](#) & [Here](#).

Indeed, “one by one” beginning with the banning of semi-automatics, will then be followed by background checks, urine samples, peeing into cups at designated medical facilities, more false flags, revoking of Concealed Gun Permits, then finally the confiscation of all “assault weapons” from rifles, to revolvers, to pistols.

PREPARE FOR CONFISCATION

GROWING UP IN JUDAISM, I witnessed an inherent Jewish hostility toward “white Christian culture,” at the apex of which are the Goyim’s guns.

Jewry would like nothing more than to wipe out “white culture” by eradicating the power and defense of that culture: firearms of all sizes, shapes and capability.

Why do we see Jews on the frontlines of the assault on the Second Amendment?

Names like Feinstein, Blumenthal, Dershowitz, Foxman, Lieberman, Chertoff, Schumer, Boxer, Bloomberg, and countless Jewish organizations, are pushing to deprive the Goyim of their guns. [View Entire Story Here](#), [Here](#), [Here](#), [Here](#), & [Here](#).

After Sandy Hook, **multiple** Jewish organizations such as Abe Foxman’s Anti-Defamation League joined the anti-gun bandwagon expressing “shock, disbelief, and horror” over the alleged murders of innocent children.

But, although Foxman and friends **shed** crocodile tears over the Sandy Hook children, (**Foxman was SO horrified!**), you will **never** hear a “horrified” peep out of these **Jewish hypocrites** decrying the cold-blooded murder of Palestinian children in Gaza.

Let me get right to the point.

With the growing awareness of the preponderance of Jewish power in America strikingly disproportionate to their 1.8% of the US population, American Jewry fears that soon the “Goyim” will “catch on” to their overweening influence and be *moved to action*.

But no formidable action can take place against the Jews if the Goyim are denuded of their guns...JUST AS they’re DENUDED in Chertoff’s TSA lines.

For with Jewry making greater gains day by day in *intensifying its centralization* of political power, the stripping of the Goyim of their guns—their last means of defense against Jewish Totalitarianism—is a pressing priority.

Dear Real Jew News Family,

There probably is no one out there in the Alternative News scenario that understands how the Jews think and act better than Brother Nathanael.

You see, I grew up in a Bnai Brith upper middle class synagogue and rubbed shoulders with these people since I was a child.

I KNOW how Jews think and act...I KNOW how much hostility Jews harbor toward "white Christian culture."

‘Nuff said. My article above expounds on it all: “Why The Jews WANT Your Guns.”

On Another Note

I am now broke.

I wanted to get a “National Nativity Scene” Project started.

I wanted to MOVE on the “Stop The Menorah” Project.

I wanted to start a “Brother Nathanael National Billboard” Project.

I wanted to put together a “Videographic Team” together to do Documentaries.

I wanted to start ADVERTISING on Main Stream Media (it is DOABLE!)

BUT I CANNOT DO ANYTHING when I am STILL living hand to mouth JUST TO PAY the basic bills.

I guess I should have put out email Appeals asking for money for December & Christmas and for New Years too...AS ALL MY “colleagues” have done.

I didn’t and now I’m suffering for it.

To tell you the truth I am so drained that I no longer have the energy to send out Appeals nor do I want to.

If thousands upon thousands of readers and viewers (of my Vids now up to 4.5 million views) wish to take Brother Nathanael for granted then by Spring this site could be history.

IF YOU LIKE WHAT I AM DOING and WISH TO SEE ME CONTINUE then please help me financially.

All the praises in the world do NOT pay the bills.

Let’s not forget that The Jews learned a few lessons from their takeover of Russia 100 years ago.

Stalin (probable Jew) picked up where Trotsky and Lenin left off, stealing the seeds and farm equipment from the peasants so they couldn’t feed themselves, starving them to death. You know DAMN well if they had been armed, Stalin’s job would have been a lot tougher.

Feinstein and her ilk would love to create a new Cheka and NKVD here in Amerika. Stealing our means of self-defense is just the FIRST step, but by no means the end-game.

That would be complete annihilation of anyone opposed to the Protocols agenda.

I can only assume it would be our local community police or state police combined with ATF that would arrive at your home to collect your guns.

That’s only the registered gun owners that don’t voluntarily turn them in. And buyback programs for non registered owners.

It won’t be a bunch of Jewish people showing up doing the collecting.

There would be fines and more severe penalties for those that get caught with guns later on. It would not be an overnight program. So there really isn’t anyway to stop this unless the people at the top are removed.

I guess we’ll see how it plays out.

Iron Mountain - Blueprint for Tyranny.avi

The Video that started it all - written about in the WALL STREET JOURNAL and the subject of
an NBC DATELINE.

This is a 2:40 hour documentary investigating the little known IRON MOUNTAIN REPORT,
leaked to the press in 1967. Purports to be a top-secret government plan to bring in the
New World Order and the ultimate plans for American citizens.

Declared a hoax, it was later verified by a top Pentagon official as real. The agenda is being
carried out right under the noses of the American people.

UFO’s play a major role in the Iron Mountain NWO. It is all about people control via deception
and manipulation. Deep into Eugenics, birth control and hideous plans for a tyrannical slave
state.

It is all coming true after OKC and 9-11 with the Patriot Act, Homeland Security and the
military police operating in America. Airports first, railroads, then highways, and finally a
complete LOCKDOWN under the pretense of “security.” A MUST SEE VIDEO

Something peculiar about Americans is how brainwashed they are regarding Jews.

Whenever a Jew is engaged in a conversation and they’re new to who they’re speaking to, the Jew will ALWAYS make sure to announce their divinity by saying, “Well, I’m Jewish” (yeah so the HELL WHAT!). If you look around the brainwashed will smile like “Oh that is sooooooooo coooooooooo!”

These brain dead morons believe they’re in the midst of divinity as if they’re in Christ’s presence. It shows how affective the brainwashing has been with the “You know YOUR Jesus was Jewish” meaning “I hate your Jesus but I know saying that is effective in jerking your leash, you stupid Goyim trash!”

Sorry Charlie

So for damn sure they’re not going to put their lives on the line when they figure “that’s what I pay those worthless Goys for.”

Of course the Christ-hating Jews want everyone’s guns.

They think its the only thing we have to defend ourselves.

Amerika needs to wake up. Br. Nathanael’s call to come to our Lord and God and Saviour Jesus Christ, the Holy Cross of the Lord conquers the Devil’s children even more than a gun can (though I’m not doubting a good marksman).

I ask you: How do you defeat the Devil, you defeat Satan with PRAYER and FASTING.

We must do as Br. Nathanael says and commit ourselves to Christ and the Orthodox Church.

I remember in one of BN+’s videos he called for a national day of repentance for the generals of our anti-Christ Jew run military. We need one more thing in addition to a day of repentance:

We need to baptise Amerika into Orthodoxy like St. Vladimir of Kiev did to Russia, look where Russia is now Amerika could be like her if she came to Christ and threw the Kikes out.

Christ God bless you all!

THE JEWS HAVE GONE TOO FAR!

More than 300 MILLION firearms are owned by civilians in the US. There are around 100 MILLION gun owners, including 47% of adult males:
<http://www.justfacts.com/guncontrol.asp> (very good stats!)

As +BN said, if there is one thing Americans love and cherish is their firearms.

The Jews and their cronies have just PISSED OFF ONE THIRD OF THE AMERICAN POPULATION, and made them aware of their hidden agenda of world domination.

I think this is a tipping point. They better think twice what they are going to do. Obama Sin Laden wants to limit gun rights by executive orders! If the Jewish cabal carries on, they better prepare for the worst.

Due to this issue, large numbers of people are being also exposed to alternative views in patriotic websites regarding 911, Iraq & Afghanistan, the role of Israhell and even the Holyhoax!

“IT WILL BE 1776 ALL OVER AGAIN” shouted Alex Jones to Zionist pawn Piers Morgan the other day. As much as I dislike Jones’ way of giving our enemies the kind of stereotype they need, his words still resonate in the heads of American patriots.

Think of it this way: if only 5% of those 100 million gun owners resist, you will have a huge army of 5 MILLION ARMED CITIZENS to deal with. This is no easy task!

Alex Jones actually got it wrong. It won’t be 1776, IT WILL BE NOVEMBER 9, 1938 ALL OVER AGAIN!!

Brothers and sisters, raise your heads, our deliverance is near!

The balance of power has been shifted to the Jews they have more power here than they ever had in Russia.

They head the CIA, OSI and they train our FBI agents. Those stupid agents go to Israel and the terrorists are training the terrorists.

If white people decide they want to work and raise their kids, then it won’t work. IF the whites laid down their tools and took on the Jews the Jews would not stand a chance.

Once we learned how they lied and screwed us in WWI it should have been enough to take care of the Jews, but no then we got WWII. SO if they can start wars and drag us into them. Then we can’t win with this system.

All we have done is protested and petitioned and basically did nothing.

The first person that does some real damage to them will be a hero. We got all these soldiers in foreign countries and politicians get going with the same BS.

Hanged politicians solve our problems. Nothing else accomplished anything. The people are going to have to get their guns out and many are going to die.

They died in all these senseless wars and if anyone thinks all those politicians don’t know the truth are just fooling themselves.

People didn’t care when we were destroying other countries, but they have attacked up and killed scores of little children. That is the only thing that moves people is death of children. It’s what got the Jews run out of every country in Europe several times.

When Russia resisted the Jews and only killed them when they killed children and drained their blood, but after it was over and the Jews fled to another country all was forgotten.

When Germany resisted and took on Communism look what happened to them. Now we are destroying the Middle East and it’s the white people doing it.

The world might be a better place if white people were removed, because they kept the Jews in check for hundreds of years. Now we fight their wars.

Whenever the government decides to help the Jews and take someone out it is no problem. Look what they did to Matt Hale and Edgar Steele. These guys did nothing and got forty years in prison.

Sorry Charlie,

But as much as I don’t care for what some Jews do they do show up and contribute during disasters.

Look it up, no need to debate on it. My friend who has family in Haiti was helped by Jew doctors at the church over there.

Taylor

January 9, 2013 @ 11:20 pm

@Sorry Charlie

“You never see Jews helping out during natural disasters, charity drives, feeding the homeless.”

Undoubtedly this is for the most part accurate. However, a relative of mine and also a career military officer, informed me recently that only Israel sent teams to aide after the Haiti Earthquake, as well as to the East Coast when the big storm recently blasted our nation.

This individual, an extraordinarily intelligent person, sadly is a big Jew-lover and has bought the Christian Zionist line: hook, line, and sinker. Just goes to show that even the most brilliant can be readily duped.

What’s my take about Israel being the only country to step to the plate (if in fact such is accurate). A public relations ploy by tossing to the Goyim a few crumbs! Jews have little to no heart to help non-Jews. What they seek is to screw us and watch as many of us as possible wallow in inferiority and misery to their self-choseness.

I once partnered in a college class about 20 years ago with a Jewish guy from Florida (a third member of our team was a delightful fellow from South Korea). As it turned out, this Jewish young man was very competent, hardworking, and pleasant to be around (even though I would not trust him).

In one incident that I will never forget when accompanying him walking across the UW (Seattle) campus, a little bit to my surprise he all of a sudden let out that he was Jewish, but the undertone of which he did so is what I will never forget. It was not a prideful gesture, nor would I say a demonstration of shame in his voice.

It was as if there was disappointment in his words and facial expression. It just struck me as strange at the time. Now, having learned much more about Jewry, particularly since the turn of the century, the manner in which those words were uttered are no longer a surprise.

He admitted to me (almost as if it was a confession) that he was a Jew, did not like it, but still was not going to change.

John Banning

January 9, 2013 @ 11:25 pm

@caveman2012

You might have 100 million that own guns. But some are going to be law abiding citizens no matter what. When the government tells them to turn their guns in 90% will hand them over, because if not they are law breakers.

Then after warnings from the government half of the rest will hand them over. In 1924 the KKK was five million strong, but did nothing. They could have taken control of the country, but they were so disorganized and they wouldn’t complete the mission.

We got two choices to make trouble. Lone Wolves strike at the enemies or a small band of people maybe 20 go after the politicians.

When they strike, if the rest of the country doesn’t say “Screw it, we got to move against this government,” then it’s all over. Time to say the ones that left this country after 9-11 were the smart ones and we are trapped in this country just like the Russians.

The Jews are organized and they got a plan. Jews can start wars and murder millions. We can’t even get a decent protest together.

Everyone should do everything they can to attack any politician who lies to us and destroys this country. There are no other options.

Dear Taylor,

Russia responded to Hurricane Sandy.

“At about 1 o’clock Wednesday morning (11-14-2012) two airplanes landed at John F. Kennedy International Airport in New York City, two Il-76s to be exact, military great cargo freighters from Russia delivering humanitarian aid to those affected by superstorm Sandy.

The aid mission was authorized by Russia’s Emergency Situations Ministry and involved the delivery of over 50 tons of supplies and aid which was accepted by the US Federal Emergency Management Agency.

Hurricane Sandy which made landfall two weeks ago in the New York-New Jersey area as a highly active storm resulted in over 80 fatalities in the US alone with billions of dollars on recovery costs since still thousands are without electricity.

The Jews' audacity of their ceaseless hopeless scheming has finally met its match and the world is preparing for the final showdown.

Their fast one on the American people seems to be coming off at the seams as the patriots are arousing themselves from their induced slumber. Endless lies bombarded against them from every conceivable direction in the end couldn't obscure the truths etched with love in their hearts.

The web of lies that was cast across this land is finally lifting and our people can clearly see now the frenzied masters of deceit at the helm directing chaos against one and all.

A day will come and people will look back and say that these Jews they weren't smart after all as we mistakenly thought them to be, for see, they undid themselves foolishly by own their hasty hands, hands like steel talons from hell that were forged to rip asunder our peaceful world.

On a somber note:

I will say this I have read all your stories.

I have read what others had to say when they pulled no punches.

Brother Nathanael does tell it exactly the way it is. He has worked with Jews and brought up a Jewish and he would know.

I have read everything William Pierce wrote and he was the same way. Jews aren't so intelligent it's just they work together and when they have a problem they take out the president or some other politician.

They killed Wellstone, JFK and his son. To list who they killed would take many pages. That's how the Jews do it.

Nathanael tells the facts and probably more than anyone else right now. But that has been tried before.

We got to figure out a way to get what we want like the Jews. If Iraq was Israel and George Bush attacked them he would have been eliminated. It's just that simple and nobody can deny it.

If you have a goal and want to succeed at something all you got to do is see how someone else did it. We know how to become wealthy and that is to open your own business, but so many keep working in factories to make others rich.

So if we want to succeed and turn this mess around we will have no choice and do what the Jews do. They kill the leaders. They kill the politicians and they put them in prison. Look what they did to Traficant. But not one politician came to back him up.

Right after WWII there was two Jewish gangs. One lead by Shamir and the other by Begin. They went around Europe killing every SS soldiers and every Red Cross nurse and when they had accomplished this they screamed HOLOCAUST.

If we were like them we would have hunted down all the Jewish commies that came to

America who had killed Slavs by the millions. Larry Silverstein would be on the list for 9/11.

If someone were to whack some powerful Jew, then they would just create another attack and then we would have martial law. Or they would start a war. So they have the upper hand. We can't start a war and we can't cut a deal with the Secret Service and whack a politician.

If we were to defeat the Jews and turn this country around it would be such a bloody revolution. But the Jews could just simply depart for Europe and the revolution would go on without them.

John Banning,

Those Jews are very smart. Take a look who's in Harvard for example. The best schools have a high percentage of Jews in them and are usually over-represented.

I'm sure BN can give us the numbers. I really don't know how we can take our country back without rejecting our culture. The Jews have even given us that-music, movies , print, social media, when putting it together are our culture. Try living without these things for long and there won't be much to do.

Our country is too divided to ever reject it's culture, never going to happen. It's amazing the influence these people have.

Education is the key to all things and the only way to advancement. Look at BN, I'm sure he would not be where he is if education was not an important thing in his family.

My friend is half Jewish.

His father is a Jew, and he told me the other day that it really bothers him when I talk about the Jews because he said that that kind of anti-semitism is what got 6 million of his ancestors killed. He is in denial.

6 million Jews or who knows how many, died because of the Jewish conspiracy and tribal mentality which seeks to take the wealth and liberty from all human beings by lying, cheating and usury.

And then he says “Well Jews weren’t allowed to do this or that, they had to be bankers and jewelers,” etc. etc. He also says that it was proven the the Protocols of the Elders of Zion were faked.

Why are so many Jews in denial? If it is anti-semitic to talk about a Jewish conspiracy, then guess what, there IS a Jewish conspiracy.

Whereas in the past they stayed more in the shadows, they are now perhaps letting their egos get the better of them. Pride cometh before the fall?

I agree with other posters — the Bolshevik-style Plan will be the template. However, this is not Russia 100 years ago.

We can ponder and postulate about THIS new law, THAT new law, gun grabbing, etc etc; but if their aim is to create a communist state, is it really feasible?

Could it be an anti Bolshevik response — that people will identify the real culprits and do

what they did to the ex Romanian leaders?

It would only work if it was an all out assault as opposed to targetting one city, one area? If we hear about drones bombing say LA...or Tampa..or....word will get out ASAP..

Israeli Organ Stealing - Harvesting
Haitian Body Parts?

<http://rense.com/general89/harv.htm>

QUOTE:

On January 20, Lebanon’s Al-Manar TV reported on the mission, citing a damning You Tube video posted by an American named T. West from a group called AfriSynergy Productions.

“The video presents something to think about while exploiting the horrible tragedy that has befallen Haiti where Israeli occupation soldiers are engaged in organ trafficking.”

Israel faced these charges before. In November 2009, Alison Weir’s article in the Washington Report on Middle East Affairs headlined, “Israeli Organ Trafficking and Theft: From Moldova to Palestine.” She cited an August Donald Bostrom article in Sweden’s Aftonbladet suggesting that Israel illicitly removes body parts, including from Palestinians.

Sitting passively and hoping and praying that these evil doers will “see the light and beg forgiveness” is extremely unlikely.

Funny how the Jews consider the Goyim as soul-less, but this the same old kosher inversion trick in that this is what the Jews accuse others of what they themselves are guilty of.

Russians Learned "Gun Control" Lesson

January 10, 2013

http://www.henrymakow.ca/

Russian says: Americans Never Give Up Your Guns," abridged

By Stanislav Mishin
(Pravda.ru)

"Moscow fell to the Bolsheviks not from a lack of weapons to defend it, but from the lying guile of the Reds."

These days, there are few things to admire about the socialist, bankrupt and culturally degenerating USA, but at least so far, one thing remains: the right to bear arms and use deadly force to defend one's self and possessions.

This will probably come as a total shock to most of my Western readers, but at one point, Russia was one of the most heavily armed societies on earth. This well armed population was what allowed the various White factions to rise up, no matter how disorganized politically and militarily they were in 1918 and wage a savage civil war against the Reds.

It should be noted that many of these armies were armed peasants, villagers, farmers and merchants, protecting their own. If it had not been for Washington's [i.e. Illuminati Jewish bankers] clandestine support of and for the Reds, history would have gone quite differently.

Moscow fell, for example, not from a lack of weapons to defend it, but from the lying guile of the Reds. Ten thousand Reds took Moscow and were opposed only by some few hundreds of officer cadets and their instructors.

Even then the battle was fierce and losses high. However, in the city alone, at that time, lived over 30,000 military officers (both active and retired), all with their own issued weapons and ammunition, plus tens of thousands of other citizens who were armed.

The Soviets promised to leave them all alone if they did not intervene. They did not and for that were asked afterwards to come register themselves and their weapons: where they were promptly shot.

Of course being savages, murderers and liars does not mean being stupid and the Reds learned from their Civil War experience. One of the first things they did was to disarm the population.

From that point, mass repression, mass arrests, mass deportations, mass murder, mass starvation were all a safe game for the powers that were. The worst they had to fear was a pitchfork in the guts or a knife in the back or the occasional hunting rifle. Not much for soldiers.

etc.

Dear John Banning,

Even the Jews know that they will have to PROGRESSIVELY take the guns away from the people. If they enact a gun grab they will be in SERIOUS TROUBLE.

Expect them to first go for the "assault weapons" then all semi-auto, centerfire rifles and finally handguns. Patriots will have to determine where their "RED LINE" is drawn. And this is easy: with the widespread use of body armor by security forces, all weapons below a .223 (and in fact below .30 cal) are quite useless in the modern battlefield.

The 2nd Amendment is there for a clear reason: defense against tyrants. And for this purpose you need nowadays "high powered" rifles.

The NWO has a few nightmares coming from a patriotic uprising, especially:

1-SNIPERS. They can take out anyone. Save for a tank, armor is no good against an armor-piercing .50 cal round. Snipers are stealthy and operate in small groups of typically two. High

tech is quite useless against a sniper.

2-IMPROVISED EXPLOSIVE DEVICES (IED), especially explosively formed penetrators (EFP) that can take out even an Abrams M1 Main Battle Tank. They can be manufactured literally from scrap, and by almost anybody. For starters:
https://en.wikipedia.org/wiki/Explosively_formed_penetrator

3-URBAN GUERRILLA. The Jews have not managed yet to control the Gaza strip (365 sq km), the same size of Detroit!

Imagine what would happen if an armed uprising takes place in the 10 most populous American cities, all counting more than 1 million inhabitants and areas larger than Gaza (Houston: 1.700 sq km, Los Angeles: 1.250 sq km). Not to speak of the other two dozen cities with more than half a million inhabitants.

As you wrote, it may start as skirmishes and grow out of control. Most wars and especially civil wars begin this way. I expect that thousands of military personnel will defect.

The unjust, vile and tyrannical regime will implode in the end.

GODSPEED!

THE GOAL OF A PATRIOTIC UPRISING

I do not like to speak about a revolution. We have been VICTIMS of a revolution at the hands of the Jews. They turned a Christian people into a mass of materialistic egotists and Satanists. That was the REAL REVOLUTION.

We want to RESTORE our traditional values -family, work and religion- that have been nearly destroyed by the Jews, their fifth column Freemasonry and all their Satanic organizations.

It is not about killing people and taking revenge. Far from it! It is about JUSTICE. The first thing Patriots should do after seizing power is BRING THE POWER JEWS AND THEIR HELPERS BEFORE JUSTICE, MARTIAL COURT.

They will have to EXPLAIN IN DETAIL what they have done to us, or else they will face a firing squad. Their synagogues, Masonic lodges, B’nai B’rith lodges, lobby groups and all centers of power will be RAIDED and PROOFS SECURED.

The information gathered will be far more important than everything else. It will UNMASK ONCE AND FOR ALL their Satanic, millennium-long conspiracy AGAINST MANKIND and JESUS CHRIST.

“And ye shall know the truth, and the truth shall make you free” (John, 8:32)

Dear +BN,

Just when an article or video is so clear and true it seems the best one, you grace the world with an impossibly better one–diamond hard and brilliant!

To, me, this is your very best yet. I thank you in words now, and in pending cash donation. I wish everyone would study your website.

.....

Snowy is right about handing out DVDs. Another way is to send a link to where they can be viewed. My formula is this:

Juri Lena’s “In the Shadow of Hermes”

+ 911missinglinks.com
+ “ZionCrimeFactory”’s new DVD compilation (\$2) = a person awake enough to appreciate our Dear+BN, and respond to the urgency of his message.

The ZCF DVD is a masterpiece of documentation, second only to +BN in the accuracy of it’s aim.

Since we know who the agents of Satan are (John 8:44, Rev. 2:9, Rev. 3:9, etc.), we cannot expect *any* good from them, but must beware of them, be ready, and be diligent with prayer and fasting.

Justin is right about the conversion of the US. But the self-chosen, like their master, are incredibly sneaky and have no compunction whatsoever.

In the midst the threat to the second amendment, the recent talk of the “trillion dollar coin” illustrates accurately the absurdity of bowing to their usury and theft; a little platinum coin is more than all they deserve.

They think they can scare everyone with this debt crisis (distraction from disarmament) and false flags traumatizing people into submission, because they convinced everyone that we needed to give their piggy banks trillions of dollars because “they were too big too fail” (what does that really mean???).

A fraction of what was handed to the usurers would have rendered every American debt free–why wasn’t there a huge revolt then? I hope and pray it will be different now.

This past summer, a few Israelis committed suicide by self immolation. At fist, I thought,“maybe they finally realize what they are doing over there..”

Then, I read the articles in their own press and in each case it was about money! Pensions or benefits reduced! How sick is that? But they can top that for evil.

They kidnapped children from orphanages in Italy (Italian and Russian Jews did this) to torture them to death for snuff movies that sell for \$20,000 or so.

Ask yourself: What kind of person does that? Did the government of Italy expel them, since this was the second time in a few years this happened? Hardly. Should we be surprised then when they murder children in school to advance their agenda to disarm the populace?

Finally, thanks to +BN again for remembering the children of Gaza, like St. Abanoub and the early Christian martyrs.

Dear Bubba,

You asked for more Canadian connections. This is not exactly about gun control but if I don’t put it down now I will forget it.

Two Jewish communist spies who were very active in Canada in the Trudeau years, and constantly promoted by the Toronto Star, and who have never been revealed, were Bernard Ostry (His wife Sylvia taught at the University of Toronto) and Paul Nathanson who with Maurice Strong formed the Russia-Canada Friendship society during the cold war.

Strong incidentally made a great deal of money helping Jimmy Hoffa who has since gone missing. They were good buddies. Strong’s aunt took and active part in the communist revolution in China and some say was Mao Tse Tsung’s lover. She is on Wikipedia.

Maurice Strong is the father of Global Warming — taxing the public so private people like the Rothschilds can tie up huge blocks of land and funnel the money into their private carbon credit bank accounts.

Strong is the architect of Canada’s current gun laws (when he was appointed to the privy council for the Liberal party - he has never been elected to anything). He is a good friend of the Rothschilds for whom he seems to do favors.

Strong faded away when he was accused of taking a bribe in the UN’s oil for food scandal, and then hid out in China for years. He and his wife had some kind of retreat for mystical nut bars in Colorado. I don’t know where he is now.

Strong was also accused of using the budget of CIDA (Canadian international Development Agency), which he founded, to supply intelligence to the NVA during the Viet Nam war that got American soldiers killed.

Strong spent \$billions of the Canadian tax payers money all over the world. A very good friend went to CIDA main office a few years ago to see where the money was spent and she said there were no financial records more than two years old.

\$Billions and \$billions gone missing under Strong’s watch. Another thing that is not known in Canada is that Pierre Trudeau was both bisexual and a child molestor.

The guy who knows all about Trudeau’s sex life and could inform everybody about what kind of a man Trudeau really was is the bachelor Michael Pitfield, Clerk of the Privy Council during the Trudeau years. I don’t know if Strong is Jewish or not.

Addenda, Maurice Strong was at one time appointed head of Ontario Hydro, the company that supplies electricity to residents of Ontario.

Somehow Strong was allowed to use their money to build a “Peace University” in Costa Rica. Just how the people of Ontario, who thought they were paying their electricity bills, could be rooked into buying what seems to be a “carbon credit” rain forest and to build a “Peace University” is beyond me.

I often wonder what kind of strange ceremonies go on at Strong’s mystical retreat in Colorado. Maybe its a skull and bones franchise.

Look up Anna Louise Strong on Wikipedia. The site has changed a lot since the last time I looked at it but at least it helps understand Maurice Strong’s family back ground.

Pierre Trudeau was a Jesuit.

He was not a communist but the information I have is that during the Cold War he was filmed by the KGB bugging a little boy and they used that film to manipulate him.

Trudeau was scared to death of the RCMP. He rambled on about keeping the RCMP out of the bedrooms of the nation and this was heavily promoted by the Toronto Star and CBC (who work as a tag team) which has as many child molesters as the BBC, but what he really meant was keeping the RCMP out of his bedroom and he knew they had already been there.

He had his personal RCMP files destroyed and he demolished the RCMP by putting in quotas for French Canadians which enabled him to plant his flunkies in the force and gut it. But his personal files were not destroyed.

They are still out there floating around and you can be sure Canada’s abolished long gun registry is still out there too which is why I encourage Canadian gun owners to sell the guns they have and buy or trade for new ones so the records soon become unusable.

Long time bachelor Trudeau married Margaret, who was a very good looking party girl, solely to get the western vote and for cover. Bisexuals in politics often marry straight women and have children with them for cover.

It seems Margaret was not getting the attention she expected because she began appearing and being photographed pantiless at seedy bars in New York City and she then famously hooked up with the Rolling Stones to get a little action.

I have a friend who knew James Richardson who was Canada’s Minister of Defense and he says Richardson told him to key to understanding Trudeau was to know that he hated English-speaking Canadians. He only set foot in English-speaking Canada for political rallies.

The Toronto Star and CBC news kept him alive in English-speaking Canada.

Ted Gorsline

I knew the late Bob MacDonald who worked at the Toronto Sun.

Bob told me that the CBC used to pay drug addicts \$15 a head to burn the US flag during the Viet Nam war. It could be true.

I remember seeing one CBC news show where 4 protesters burned the American flag in front of the US embassy - 4 protesters in a city of 3 million. The camera went in tight to cover the fact there were so few protesters.

Mainstream media manipulate information all the time. For example, if you see protesters in any of the Arab countries with signs, the signs shown on CNN will be in English and yet English is not spoken in any of those countries. The protesters are plants.

Journalists even carry props for effect. A common prop used to be teddy bears which they plant one in footage where children are alleged to have been killed.

Dear Brother Nathaniel, FYI

Both Paul Nathanson and Bernard Osprey mentioned above as cold war commie spys are dead and they cannot sue you. The RCMP followed them around for years without them knowing about it.

The Pope Masses Christians & Muslims unite against the Jews

Brief outline

Part One, Copyright Joe Vialls, Joe Vialls, 10 May 2001

The Pope in Omayyad Mosque, Damascus

In a whistle stop tour the mainstream media has tried to paint as the aimless ramblings of an old man, Pope John Paul has just done a very good impression of uniting massed Christian and Islamic forces against Judaism. Yes, that’s right, the Crusades are on again, but this time the targets are Jews rather than Muslims!

Before starting his controversial visit to Syria, the Pope dropped in on the Greek Orthodox church in Athens to apologize for the sacking of Constantinople back in the 10th Century.

At a single stroke, so to speak, this made reconciliation possible between the two largest Christian religious groupings on the face of the earth. Not “kiss and make up” time of course, but sufficient to open direct lines of communication between the two command headquarters in the future.

This was no idle move. Though the Archbishop in Athens is regarded as the unofficial head of the Orthodox Christian Church, the principle firepower of this religious group lies far to the north in Russia. Through an indirect and ingenious process hardly befitting a “tired old man” (as the mainstream media described him last week), the Pope was busily forming a paramilitary alliance between Europe and Russia, to the detriment of America and Israel.

Mission complete, the Vatican Caravan moved on to Damascus, where the young Syrian President made a stirring welcoming speech in which he referred to the Jews as “Neo Colonists who would kill anyone in their path to achieve their aims.” The Pope nodded sagely and made no effort to correct this seeming gaff by his host, choosing only to warn Israel that it must obey United Nations resolutions which state that Jewish settlements are illegal in international law.

Then like the humblest of worshipers, the Pope removed his shoes to enter the Great Omayyad Mosque, and take a significant step towards healing centuries of conflict between Islam and Christianity.

The Pope, the first leader of the Roman Catholic Church to enter a mosque, said that from

now on Muslims and Christians should be seen as in “respectful dialogue, nevermore as communities in conflict.”

He added: “For all the times that Muslims and Christians have offended one another, we need to seek forgiveness from the Almighty and offer each other forgiveness.”

Many Muslims - some suspicious that the leader of the faith that drove the Crusaders to the Holy Land might try to reassert a Christian claim to the mosque - had hoped for an apology from the Pope for the sins of 1,000 years ago. But he made no apology, leaving the issue to God and individual consciences.

The 80-year-old Pope had traveled to the mosque in his glass Popemobile through the ancient covered bazaar in the Old City - not far from the Street called Straight, where St Paul sought refuge after his conversion to Christianity.

He was greeted at the door by the Mufti, Sheikh Ahmed Kuftaro, and - after swapping his shoes for white sandals - was offered the traditional welcome of two tiny cups of coffee. The Mufti told Pope John Paul that it was a “great day for Muslims around the world.”

Together they walked leaning on sticks - the sheikh supported by his son and the Pope by his cardinals - to visit the domed shrine which is believed to hold the head of St John the Baptist, who is revered by Muslims as the Prophet Yahya.

The Pope stood in silent prayer at the shrine. A Syrian commentator said: “The Pope is silent. But his silence is more powerful than any words.”

The Omayyad Mosque, a place of worship for at least 3,000 years, was perhaps the only place in the world where such a gesture could have taken place. Once a temple to an ancient fertility goddess, it became a temple to Jupiter in Roman times and then the Christian basilica of St John.

After the Muslim conquest, it was for a time shared between Islam and Christianity - “Muslims turning to the right to the mosque and Christians turning to the left to a church,” according to the Pope’s guide. In the eighth century it became exclusively a mosque.

There had been plans for joint prayers, but in the end the Pope and the Mufti sat in the spacious courtyard and listened to an Islamic “invocation” of God chanted by a Muslim cleric. The hosts recalled that they were in Damascus, the capital of “steadfastness” and “Arabism” and the bastion against Israel.

Three Syrian speakers took the opportunity to denounce Zionism for creating all the problems of the Middle East.

The Syrian view, stated bluntly the day before by President Bashar Assad, is that if Christians and Muslims are to unite, it must be in the struggle against Israeli “oppression.” It was a stark reminder that even the most spiritual moments cannot be separated from politics. But no one could fail to see that a watershed had been passed in relations between church and mosque.

From Damascus the Pope then visited an Orthodox Church on the Golan Heights, an everlasting symbol of savage Jewish behaviour in the Middle East. Though the church was not damaged in fighting during the 1967 war, the Jews thoroughly desecrated this Orthodox Christian shrine before returning it to the Syrians in 1974.

To say that this trip was symbolic would be the understatement of the decade, but the Pope wasn’t quite finished yet. After waving goodbye to his host and boarding an Alitalia jet at Damascus, he continued on to Malta for a flying visit to Combined Force Headquarters.

I hear you.

I am noticing that a lot of these alternative media parties duly note they are non believers and ex-beleivers.

However, I feel my own spiritual beliefs are actually strengthened by listening to them, and they are not going to negate them. I think one should try to be a “sponge,” and absorb as many viewpoints and discussions as one can. We are all on a search for “the truth.”

What I seek from the non-believers is new information and verification from what believers may say. Are both sides mutually complimentary? I find much, if not most, of the information does overlap.

They may see this as a secular war, the rest of us see it as a spiritual war...but it is STILL A WAR.

Take the good parts and toss away the rest. As I said, I don't think listening to them will turn you off religion, but the exact opposite.

Dear GS Patton,

The active resistance portrayal of "turn the other cheek" might be a fairly accurate given the history, although people like Marcus Borg always pin the blame on the Romans and no one else.

Little thought is given to how the Jewish aristocracy of the Hasmonean and Herodian nobility, the Chief High Priesthood and the Jerusalem ruling elite of Babylonian Jews and the immensely powerful Rabbis and the Pharisee fraternity in the Great Sanhedrin also variously oppressed and abused the lower castes, and even held contempt for the "idiot priests," those who were well versed in Scripture, but not interested in the "tradition of the elders" or the Oral Torah.

Josephus made it clear that the Pharisee party controlled the Great Sanhedrin and the liturgical workings of the temple, not the Sadducees, because the Pharisees and Rabbis were very popular with the people.

The Pharisees themselves were divided between the schools of the moderate Hillel and the nationalistic Zealot Shammai.

No mention either is made of how the Zealots, and the affiliated subgroup of Sicarii assassins who directed themselves towards their non-aligned tribesmen, and their constant uprisings and guerrilla warfare were making life difficult between the Romans and ordinary people just wanting to live their lives in peace.

Or that in the Bar Kochba uprising against Hadrian, circumcised Christians of Judaea, Galilee, Babylonia and the diaspora were persecuted and tortured by Zealot Jews for not joining the rebellion against Rome.

The first decades of persecutions of Christians came from the Jews, not the Romans, recorded in the Acts, Epistles and more cryptically in the Apocalypse.

Marcus Borg is a member of the Jew-controlled Jesus Seminar which is involved with the "historical Jesus movement," which essentially denies the divinity of Jesus Christ, His bodily resurrection or Christian theology and eschatology, and is essentially a Judaized humanist and atheist group composed of 150 Jewish and Gentile critical scholars or Fellows.

The Jesus Seminar, the assembly of the Fellows, used votes with colored beads to decide their collective view of the historicity of the deeds and sayings of Jesus of Nazareth.

The Fellows used a "bead system" to vote on what they consider is the authenticity of about 500 statements and events. The color of the bead represented how sure the Fellow was that a saying or act was or was not authentic in the Gospels.

You can read the Jesus Seminar story here on Whinepedia. The great hint at the Talmudic and Kabbalistic Jewish hand underpinning the Jesus Seminar is expressed with:

"Rather than revealing an apocalyptic eschatology, which instructs his disciples to prepare for the end of the world, the fellows argue that the authentic words of Jesus indicate that he preached a sapiential eschatology, which encourages all of God's children to repair the world."

"Repairing the world" is direct translation of 'Tikkun olam' which is a specific to the philosophy of Lurianic Kabbalah, and a catchword now among orthodox Jews like Chabad."Tikkun olam" is often found as part of a neocon/liberal social agenda.

From Whinepedia-Tikkun olam:

God's desire in creation is that God's creations ultimately will recognize God's unity and overcome evil; this will constitute the perfection (tikkun) of creation.

"Jews have the Torah now and are aware of God's unity, but when all of humanity recognizes this fact, the rectification will be complete.

Only the actions of Jews further creation; the deeds of non-Jews do not.

Instead, God gave non-Jews the Noachide Laws so that they may obtain individual portions in the Olam Haba (afterlife)."

“They kidnapped children from orphanages in Italy (Italian and Russian Jews did this) to torture them to death for snuff movies that sell for \$20,000 or so.”

Assuredly all very true and correct. But why do you use the past tense? Do you assume that this was a one-time occurrence? This is common practice!

Take a good look at the Marc Dutroux case. There are several you-tube documentaries dealing with the FACT that Marc Dutroux was the pasty in an at least Europe-wide child snuff-film RING.

(There is an excellent piece in French with translation of an interview of a girl whose father was a devout satanist. They ate human flesh at home on a regular basis. Look up SRA - Satanic Ritual Abuse.)

Certain police officers blocked the investigation of the dead and partially even buried-alive victims, that, if left unhindered, would have led to the exposure of the very elite of the elite of Europe and indeed, the world. (Take a look at the “able danger” web site for more info on Snuff-Film Escrow and the involvement of, amongst others, the current US “Prezzi” and his gal.)

Also highly recommended: “The Curse of Canaan”. A source of invaluable, expectionally cogent, historical information provided by the brilliant and humbly wonderful Eustace Mullins.

This man lived and died for the cause of the real truth. He and his family were hounded for decades for it until he finally expired with a little help from his friends a couple of years ago. The PDF provided by John Kaminski is riddled with spelling errors but never mind.

It is free and available for your edification and the enrichment of your knowledge.

Ted Gorsline:

Thanks again.

In hindsight, Trudeau was set up as some sort of “Pied Piper” psy-op, and perhaps a good warning to other brothers and sisters in other nations.

Prior to his election in 1968, we had Pearson and Diefenbaker. The old style conservative “down to business” types.

Trudeau literally burst on the scene with his hippy look, long hair, youthful, athletic, like a rock star, major contrast to his predecessors. (Of course, the ladies just loved him).

Canada had unfortunately been structured since it became a nation with what they called (2) Founding Nations Quebec (FRENCH Catholic) and the rest of Canada (ENGLISH- WASP). That’s already the start of a problem, the old “trying to serve (2) masters”—a house divided.

However, Quebec was still a very Christian province. Various debates if the Catholic Church back then had too much power, more so than the Government. However, over time, the Church was seriously undermined by various movements to where it is now one of the most secular provinces.

So, in essence, while “French” and “Catholic” was often synonymous, religion was taken out but a strong secular ethnocentric group still remains to this day (Where have we seen this before?)

By this time Trudeau was playing his “liberal/socialistic” hand of divide-and-conquer, and Canada has never been the same. Quebec tended to vote as a major block for one party.

His political advisers informed him to focus on getting the Quebec and Ontario votes, given these (2) provinces combined had the majority of Canada population and thus would give him enough seats to form Government, and to hell with the rest of Canada.

This started what we call Western Alienation, where the Western Provinces could see what was going on and resented it.

Trudeau also introduced Bilingualism, that Canada has (2) official Languages French and English. Any products sold in Canada must have both languages...Federal Government employees must be bilingual—more cultural Marxism.

Provinces were defined as “Haves” or “Have Nots” and transfer payments from the Have provinces went to the Have Nots, of which Quebec was deemed a “Have Not.”

Of course, Trudeau, like the US in the 1960’s, opened the floodgates to immigration of Non-Whites.

Trudeau used his “intellect” to wow the press with glib classic quotes, who were basically under his thumb. He, was extremely arrogant and had a way of embarrassing people. I saw him in action once.

He consider his MP’s (Federal Elected Representatives) as “nobodies” once they were out of the Parliament building, implying he was in charge—a defacto dictator.

He did in fact invoke “Martial law ” in Canada the early 1970’s.

He stated that Canada was a Multi-cultural nation, whereas in the US it was a “Melting Pot.”

His sexual preferences? Always a subject of speculation. Yes he married an embarrassing bimbo to be his brood mare for 3 sons, one of which, Justin, may himself become Prime Minister if his political career continues.

What I am beginning to conclude is that until proven otherwise, ALL politicians are sociopathic perverts.

Trudeau will always have his fans who will have this romanticized view of him, but in hindsight, he was simply that major agent for outside interests who wanted to have a “Made in Canada” divide-and-conquer sell out to set us up later for the Globalists.

I don’t see our country much better than other Western Countries, it was all a set up.

However, this is why many of us outside the U.S. love these U.S . based blogs. Few if any such blogs to this degree exist in Canada, we have the “thought police” and hate crime laws, so at least use and treasure your current Free Speech rights.

Dear People:

take a LOOK at the Joplin tornado incident last year, I think it was at the end of April. If you can. There was, after a certain time, a media black-out on the subject.

The victims of this alleged HAARP-induced disaster were “stored” in a “warehouse” just outside of town that was however off limits to everyone except, for example, the police. Families of the dead were not allowed even to identify them as such.

In my opinion, the dead bodies did not go to waste but were used to harvest organs. Think about it.

**KathJuliane**

January 11, 2013 @ 12:01 pm

Dear Wanda,

For certifiable healthy organs, organ harvesting from cadavers can only occur at maximum within a few short minutes of time after a heart stops beating.

Most countries require the source is legally dead for organ transplantation purposes (e.g. cardiac or brain dead) or a voluntary healthy adult for the donation of some less important organs.

Organs can not be harvested after heart stops beating for a long time, thus a brain dead donor is preferred, but only a small percentage of deaths are brain deaths, thus the majority of human organ sources are cardiac dead.

Quality of the organ then is certified after harvesting. If the heart stopped beating for too long then the organ starts decomposing and becomes unusable, and cannot be used for transplanting.

It took weeks to recover all the fatalities from the rubble left by the tornado, and some of them were dismembered. The recovered remains were kept in that warehouse facility you described until they could be identified.

Any organ harvested as alleged after the Joplin disaster would not have passed any organ health check.

Wyoming Lawmakers Seek To Protect State From Gun Grab

Lawmakers in Wyoming are gearing up to take action against any Federal, State or local threats to the 2nd Amendment rights of the State’s residents.

The State’s proposed bill, the Firearms Protection Act (HBO104), would nullify any Federal restrictions on guns.

It threatens to jail Federal agents attempting to confiscate guns, magazines or ammunition, thereby allowing rightful State gun regulation.

The rule would apply to those firearm products manufactured and kept in the State. ...

When will the western Christian world, in this case excepting the late Joe Vialls (who’s other work on the Jewish micro nuke caused tsunamis is notable), as quoted above, understand that no bishop of Athens is the “head” of the Orthodox Christian Church, nor is the Patriarch in Constantinople it’s head either, although he is sometimes honorifically called the first among equals!

The only head of the Orthodox Christian Church, which is the one true ancient apostolic Church is our Lord and Savior Jesus Christ. Anyone who says otherwise is ignorant of the Truth, real history, and under the Jewish propaganda brainwashing.

The Orthodox Church is a conciliar church (viz. the Seven Ecumenical Councils) as in apostolic times. No single human dictates to it, or changes any doctrine, as the Pope of Rome does with his Church.

The Roman church is indeed headed by a man who calls himself the representative of Christ on earth in his pride and arrogance. He is a dictator now of a city-state (the Vatican) which has perpetuated crimes against humanity for a thousand years and continues to do so, though more subtly than before.

He is a political leader. The present one, Ratzinger, has written (back in the early sixties) in “crimens solictationes” when he was “Grand Inquisitor”—another man-made title– that anyone (whether victim, witness,or Cardinal) who reveals sexually abusive behavior by a Catholic clergyman is summarily excommunicated (as if he has power of judgement, rather than Christ).

Excommunication happened to American clergy, even nuns. How they remain Catholic, though some don’t, is beyond me. But I guess the Orthodox Church, not being a political or financial power, eludes them, or perhaps they think it is the same when it certainly is not.

The Jews persecute the Orthodox Church in the Holy Land and throughout the world.

That’s what +BN is trying to tell us!

The Jews, some of the Muslims having Western alliances, and Roman Catholics conspired to destroy the Byzantine Empire and the Orthodox Church in particular. This is because Jews are the agents of Satan (John 8:44, Rev. 2:9, 3:9, etc.) and will manipulate anyone to achieve their ends.

Listen to +BN!

Remember, there was no “Vatican Library” until Constantinople was completely looted after 1453 (and not just 3/4 looted as in the 1204 Fourth Crusade).

Two years later a richly endowed “Vatican” library materialized with treasure and manuscript plunder and families/duchies that had helped bankroll the operation were rewarded (such as the Savoy family with the Holy Shroud).

The fourth crusade was against the Orthodox Church and for that they needed the help of Muslims, who had already martyred many Orthodox hierarchs. Pope John Paul II could well “visit” a mosque; it was in the same year that he went to Constantinople and returned a few of the holy relics (of St.John Chrysostom and Gregory the Great) that they had stolen, yes stolen.

In the interest of brevity I will forgo the numerous examples I could give; copious information is available for those who seek it. But let me ask this, how is a church that \*officially\* burns people at the stake (the Protestant heterodox also did that also), wages war (thou shalt not kill), looted at will (thou shalt not steal) and has institutionalized pedophilia (“as you have done it to the least of Me, you have done it to Me”), etc. —how is that Christian at all?

How can this church really be Christian if they do the opposite of what Jesus Christ said? Just because they say they are? Really? “There are those who say, Lord, Lord, but I do not know them.”

There are miracles in the Orthodox Church today that are as wonderful as when Christ walked among us. Because God judges the heart of man, sometimes even among Muslims who visit churches and monasteries to ask Jesus and His Mother the Virgin Mary for intercessions in their own lives for serious issues and problems are blessed with a miraculous solution.

This is news in most countries but not in Jew controlled US or on PTL. You would think that “Christian” news outlets here would have jumped on that, but — oh wait — they are too busy collecting money for rich Jews in Isrealhell.

Of course, the most important miracle is the miracle of the Holy Fire at the Orthodox Church of the Holy Sepulcher in Jerusalem. That’s why the Jews increasingly restrict access to it, and are trying to tax it out of existence—something the Muslims never did.

This is the oldest continuous miracle (documented almost 2,000 years!) on earth and it happens only at Orthodox Pascha, when an Orthodox clergyman is officiating—whether Greek, Arab, Serbian, Russian, Ukrainian, Romanian, etc., never when it is a Roman Catholic and only when Orthodox Easter is celebrated, which is not usually the same date as the western Easter.

Incidentally, a Muslim family holds the keys to the church dating to Saladin. The Holy Fire, which heals and does not cause burns (for about 30 minutes after it’s miraculous arrival) is taken to light the lamps in the Dome of the Rock Mosque by the Imam himself.

It was witnessed in writing as far back as by Ibn al-Qas, a devout scholar of Muslim law (ca. 1389). Last Pascha, a Muslim woman brought the Holy Fire to the Orthodox Christian mayor of Ramallah, then to Taybeh—the only Christian village left in the Holy Land.

The Palestinians there, who have been Christians since Christ walked the earth are prevented by the Jews from going to the vigil of the Holy Fire (15 minutes away without checkpoints) in recent years! There is a book of 45 historical accounts compiled by Haris Skarlakidis. There is also [www.holyfire.org](http://www.holyfire.org)

There is reason that +BN is an Orthodox monk. Think about it.

Re: Organ Donors and Transplants

On Deanna Spingola this week

<http://grizzom.blogspot.ca/2013/01/spingola-speaks-20130107.html>

Guest: Dr. Paul Byrne, Bernice Jones, of The Life Guardian, Why you do not want to be an organ donor; Pressure on Doctors; Organ Division; Rocky’s Law; Rocky’s YouTube Channel

=====

Deanna has interviewed Dr Byrne several times, but this one linked above is probably one of

the best on this topic.

According to Dr Byrne, one CANNOT, I repeat CANNOT harvest an organ for transplant from a corpse/cadaver....the donor must still be ALIVE.

He is that typical voice in the wilderness sounding the alarm.

What he submits is going on in the US and elsewhere — not just Israel — is pure evil, very creepy stuff.

Apparently, in the 1960’s after heart transplants started with Dr Christiaan Barnard, an organ procurement protocol was established by a lay panel at Harvard, one subjectively based on “brain wave” activity to determine death.

In essence, and God forbid, if you or a loved one is involved in an accident, and you appear in a coma, one of the first parties called by the hospital is the organ procurement mafia. Your body parts are worth millions of \$\$\$\$ to the system.

They will try to convince families that you are “brain dead,” even while the rest of your body is still functioning normally, thus you are “dead.” Too many people have bought into this LIE.

This is not to say that many cases are not hopeless and that organ donorship in these cases is viable and valuable. Dr Byrnes concern is that the patient’s rights in these cases are being abused and trampled on, and being literally murdered, as he cites many cases of people fully recovering from these situations and living normal lives.

This would never be possible if the hospitals had convinced families the case was based on brain wave activity etc. again a subjective interpretation. Then of course, the LIVING donor has organs removed while they are still alive, then they truly die, but the crime scene is covered up via these lies and propaganda and no one is the wiser.

Dr Byrne explains how the laws have been drafted in such a way that you ARE an organ donor...literally property of the state UNLESS you fill in the legal forms he has drafted.

Just think about it, any one of us could be in this situation at any time. Many a horror story has involved a theme of a person alive in a body that can’t move or speak as others around them consider them deceased.

Please share this with others.

Dear Bubba,

The Canadian who interests me is Lester Pearson.

I tried to run down his past on the internet a year or two ago and if my memory serve me correctly (and these days it seldom does) he attended Cambridge at the exact same time as those famous British spies who worked for Russia - Kim Philby, Anthony Blunt (I met his cousin), etc.

Pearson parachuted Trudeau into power and I wonder why. I have run down an unknown communist mole.

His name was Derek (forget the last name) but he was Director of National Parks in Tanzania for Julius Nyere and he was Jane Goodall’s second husband.

I am interested in spies. I once met Igor Gouzenko, the Russian cypher clerk in Ottawa who started the Cold War.

## Ted Gorsline

January 11, 2013 @ 2:56 pm

Dear Bubba,

Here is another interesting little detail. There was a professor at Carleton University in Ottawa named Hugh Hambleton who was a known Russian spy but Jean Chretien would not arrest him.

The RCMP tipped off the Brits when they learned Hambleton was passing through England. He was arrested, confessed, convicted and jailed in Britain.

The fun thing about this is his sister worked in Pierre Trudeau’s office and she used to meet with Fidel Castro regularly. She would fly from Ottawa to Mexico City and then to Havannah and back.

The RCMP had her monitored constantly but she did not know it. I have been told but cannot confirm that Maurice Strong is Bob Rae’s godfather. Bob Rae, the former premier of Ontario, pretends to be an Anglican but he is a Jew who has changed his name.

This has nothing to do with Jews or religion but if you want to see a really interesting interview that reveals much about Bill Clinton watch the U-tube video wherein Ted Gunderson, the former head of the FBI in Los Angeles, with 70 agents working under him, interviews Chip Tatum.

Tatum is a former Viet Nam Special Forces veteran and CIA pilot who worked with Oliver

North in Nicaragua. This is a stunning interview. War hero North it seems faints at the sight of blood.

Ted Gorsline

Nothing surprises me.

I am coming to the realization that our so-called leaders are literally and figuratively hatched from some system whose behind -the -scenes machinations have placed them in key roles to serve their masters, which is not we the citizens.

Each so-called leader is a link in a long chain. One sets the groundwork for their future replacement/s. One could make a case that say Ronald's Reagan role, in hindsight, was to blaze the trail for Obama.

The only difference now is that it is more blatant, the Wizards don't even care of they have a curtain to hide behind.

Regardless, one finds Global Zionism is the key, the tie that binds. With Pearson, he may very well have been a spy. During the bogus Cold War, spies and spying was ramped up and few could be trusted. So-called prestigious universities seemed to be prime recruiting and grooming grounds for these traitors.

In hindsight Trudeau had several Jews involved as advisers and Ministers.

My basic premise is any ex-Commonwealth country is directly tied to Britain's Rothschilds, and other countries have a few more degrees of separation for optics.

## Ted Gorsline

January 11, 2013 @ 3:47 pm

Dear Bubba,

When the Jew Bob Rae was premier of Ontario he basically bankrupted the province.

I have read that he then borrowed a great deal of money from his Zionist banker friends in New York to keep the province afloat.

What that means, if its true and I cannot confirm it, is that after first bankrupting Ontario, instead of borrowing money from Canadian banks and keeping the interest in Canada he borrowed it from international Jewry and put the people of Ontario into perpetual debt to the international Jew.

Bob Rae was a Rhodes scholar. I believe this fund is administered by one of the Rothschilds and getting it is a tip off that they are looking you over as a possible flunky to work for them.

@Laskarina

Thank you for all the information and I totally agree with everything you have said.

I have the highest regard for +BN else I would not have been frequenting his site and the only one that I ever post my opinions and information on the net.

Also I find myself very close to Orthodox Christians and have many friends who are Tawhedo, Marma Thoma, Syrian Orthodox and Egyptian Copts in my Muslim country, a country where freedom of worship is guaranteed by law and all religions are under the guidance of a single ministry, the Ministry of Religious Affairs.

Incidentally even my wife is an Orthodox Christian.

Thanks to you now I know the source where the vast collection of the Vatican catacombs library came from, a library whose books are guarded with an unsurpassed jealousy.

I know very little about the Crusades, but I never knew that there was one aimed at the Orthodox Church, although I know that at a certain point in time the Catholic Church attempted to destroy all Orthodox followers just they destroyed a multitude of indeginous people all over the world.

I have also seen a video of the Holy Fire, I found the link right on this website if I remember well and I have also seen the picture of the custodian of the keys to the Church. Of course such a miracle happens nowhere else.

Also as a Muslim I am aware of the refuge and succor offered to the early Muslims in their flight from Arabia to the Orthodox Christian Kingdom of Habesh ( Ethiopia ).

Finally I personally see a lot of commendable similarities among our various religions with only minor differences. But there is a surging tide of religious extremism in all religions in these terrifying times, and in-fighting, just like brats, by ugly and despicable people who brazenly behave in ways contrary to the teaching of their same religions and whose ways and aims are far removed from love.

That is why I always believe that our Lord God is not moved by rhetoric alone but love and understanding among ourselves is a vital formula for our deepest prayers to reach His sight.

With best wishes.

## Ted Gorsline

January 11, 2013 @ 4:08 pm

Dear Bubba,

Bob Rae was also a big promoter of multi-culturism. He wanted to give just about anyone who managed to reach Ontario \$26,000 worth of benefits and put this expense (loan from NY banks plus interest) on the back of the Ontario taxpayer in return I suppose for their vote which he wanted them to have very quickly. I think three years.

Decades later Ontario is still in huge debt because of Bob Rae but his chosen banks are cashing in on the Usury.

The only thing Mr Rae had to trade for his success as a politician was his soul, and if you hear him speak this becomes self evident.

Bob Rae reminds me of a slinky toy because he is so flexible, and now with his bankster friends you can push him down any set of stairs and he is bound to land on his feet.

The formula seems evident. Bankster money gets you elected. You bankrupt the province in one term, and then you borrow from your bankster friends who collect the interest from the tax payers you have bankrupted for decade after decade after decade.

No need to produce goods and services. Just live off the usury.

Sorry to tell you, but I was a bit disappointed. The whole thing was as arranged for Gilads monologue, and he talk the talk. And brother Nathanael walk the walk with limited time, but yet he was able to put it straight about what is it all about, the economy.

One thing I noticed at the very beginning, was when Gilad was talking about that America is such a new nation and Jews are 3000 years old.

As a nation? Israel was founded 1948 and any European American has cultural roots for thousands of years back. If Gilad knew anything about European culture, he should know what Trojan Horse is.

I’m maybe wrong, but I’ve got that feeling that he is one of those.

A trifacta for North America would be a Jewish Mexican President, so if Bob Rae becomes leader of his party, he could become our ” Jewish ” Prime Minister, with Jewish President Obama.

<http://www2.macleans.ca/2012/01/12/pretender-to-the-liberal-throne/>

If Bob Rae uses this week’s Liberal party convention in Ottawa to drop the “interim” label affixed to his job description, he will shatter the party’s iron rule of succession.

Long before they became Canada’s Natural Governing Party, the Grits recognized the country’s twin cultural roots by strictly alternating between English and French leaders.

The honour roll went from Mackenzie to Laurier, to King, to St. Laurent, to Pearson, to

Trudeau, to Turner, to Chretien, to Martin, to Dion, to Ignatieff. That bycultural line was not, ever, negotiable.

The Rae family denied its Jewish origins until the 1968 Liberal convention, when Pierre Trudeau introduced himself to Jennifer Rae (Bob’s sister) by whispering to her, “Will you go out with me?”

They courted, became a steady item and there was serious talk of an imminent engagement. But it never happened. The beauteous Jennifer became a senior executive at IMAX Corporation and faded from view.

Fearing a publicity blitz when the marriage rumours were still alive, Bob’s father, Saul, called the family together and announced to their surprise that they were not Raes at all, but Cohens—that they were Jewish, not Anglican, as they had pretended.

The news hit Bob the hardest. From then on, he ate mainly at Jewish restaurants, went out exclusively with Jewish girls, and married one, the magnificent Arlene Perly.

ALSO: Bob Rae skinny dipping (with an admitted homosexual).

Some days ago I mused about the Machalniks in America.

These are non-Israeli foreign Jews who go to Israhell serve in the IOF as volunteers, and then return to their own national country of origin forming a pool with other Machalniks, without any type of notice in US files about their military service overseas.

I covered Jews For the Preservation of Firearms, a leading 2nd Amendment advocate linked with all of the gun-rights groups, and also brought up Maccabee Firearms, Ltd in Nevada, who can order exotic arms from Israel and conducts very sophisticated “anti-terror” training.

Another major potential sleeper group I have run across through the years is the institutionalized “Israeli Backpacker” program, or the officially endorsed Post Military Trip.

It is said in Israel that there are essentially three rights of passage: the bar mitzvah, the army and the post-army backpacking trip.

When it comes to the post-army backpacking trip, the tiyul shehroor, Israelis go either “south” or “east.” They have flooded India, Nepal and Thailand and set up squatter settlements.

It is usually couched in misleading scholarly terms for Goy consumption, such as “In the period after their active duty IOF military service, Jewish Israeli youth customarily embark on a unique touristic practice: the backpacking trip.” They are recently discharged active duty vets, many in combat.

I love when Jews tell on themselves, especially Israeli Jews. They like to talk about their Jewishness, no matter what.

Today we shall take a look at this lesser known creature among the Goyim in the Zionist West, called the “Israeli Backpacker.”

I rather suspect we encountered a variant type of the Israeli Backpacker here in America which was called “the Israeli Art Student” staffing “kiosks” in shopping malls, and roaming across the country in packs attempting to penetrated sophisticated military and intelligence sites in the run-up to, and in the aftermath of, 9-11.  
~~~

The Secret Life of the Free-living Israeli Traveller (freely adapted from the October 2008 article on The Jewish Chronicle):

Around 20-30,000 “Israeli backpackers” travel to the Far East and South America each year in the program of institutionalized backpacking tourism paid by the Zionist government after Jewish men and women finish their active-duty obligations.

The theory in Israeli society is that a period of travelling eases the transition from army to civilian life for the “twenty-somethings,” often euphemistically referred to in the Jewish press as “Israeli youth” (where Americans would tend to think of a “youth” as more or less a teenager) to decompress after they’ve spent their active duty time in the IOF martially opressing, beating, humiliating, destroying the property of and legally injuring and murdering the Palestinians.

Israeli society seems to foster the importance of allowing its twentysomethings “youth” time out in order to get their identities together, from which they can return and “successfully resume a life of ambition and prosperity” in regular Israeli society.

It has, in fact, become an important rite of passage for Israelis in their 20s after discharge from the active IOF. These Israeli wildcards now take their “risk-taking culture, born of military service, directly into the backpacking experience, attempting the most dangerous treks, or abusing drugs.”

Dr. Einave Segev of the social-work department at Ben-Gurion University sought to assess the impact of backpack travelling on an assortment of Israeli women.

She “managed to collect 20 diaries written by Israeli women during trips conducted up to eight years ago, when the women were “at the ages of 20-25”. She then interviewed each woman.”

She found that they returned from their life-changing experience burdened by dark memories they could not share with friends and family...tough drugs experiences, of sexual harassment, and of many difficulties caused by having to deal with physical hardships.

One can google for all kinds of examples of Israeli Backpacker escapades:

1) A New Zealand tour operator is in trouble for enlisting backpackers to entertain tourists by impersonating the native Maori, Australia’s ABC news reported on Monday.

Instead of employing Maori, the tour company Discovery Heritage Group, based in the North Island city of Tauranga, paid backpackers visiting from Israel and France to dress up in feathered robes, draw tattoos in pen on their faces and go aboard cruise ships when they pulled into the Port.

<http://www.haaretz.com/news/israeli-backpackers-act-maori-in-tourism-stunt-1.265784>

2) Jewcy.com: “In Thailand, at the Bella Bella Guesthouse, just one block from Bangkok’s tourist-thick Khao San Road, the management apologizes for not serving Israeli patrons. According to the sign taped to the front desk, “We have many problem with them.”

Israelis’ reputation in North America isn’t much better.
http://www.jewcy.com/post/why_israelis_are_pricks

3) Three Israeli backpackers somehow quickly fled New Zealand within 12 hours of the massive Christchurch earthquake which shut down the entire island country who were under investigation for suspicious actions.

It appears that this incident was actually big news in Israel at the time.

“The Government has confirmed several agencies, including the Security Intelligence Service, investigated the actions of four Israeli backpackers and an Israeli forensic team in the aftermath of February’s massive earthquake in Christchurch.

“Prime Minister John Key has said suspicions were raised when three of the backpackers quickly fled New Zealand after their travelling companion and van driver, 23-year-old Ofer Mizrahi, was killed.

The security of the police national computer system was also reviewed after concern the forensic team had hacked into it. No evidence of spying or wrongdoing was found [which does not mean as the Israel Embassy spun it, “that none of these individuals were involved in wrongdoing of any description.”]

These Israeli backpackers fled after their Israeli travelling companion and van driver was killed, who were “shocked that their companion was killed in front of their eyes,” [remember, these are discharged IOF in a government institutionalized program] somehow arrived at Wellington, capital of New Zealand on an Air Force 757 from Christchurch.

According to the resident Israeli (look up Sayanim-Diaspora Jews who provide assistance to the Mossad) running cover for them, property developer Eyal Aharoni said he has made enquiries with Israelis the backpackers had contact with and said it was “impossible” for them to leave New Zealand after 12 hours as initially alleged by the Southland Times.”

“They couldn’t go back to the place where they were staying so they were wandering the streets.” Somehow it was preferable for them not to contact the emergency authorities in Christchurch for shelter arrangements, but these Jews felt it prudent to get out of New Zealand, fast.

“Their families in Israel organised flights for them to come back home. So from Wellington they went to Auckland and then they had to wait a little longer. There is no way they left in 12 hours, at least 24 maybe more.”

So how did these 3 Israeli Backpackers arrive in Wellington on an Air Force 757?

Was one in service for shuttling out tourists and visitors? I don’t know.

I don’t think arrangements could be made with the military by disaster authorities this quickly unless there were pre-planned agreements made before hand. But in any case, it would still take contacting the Christchurch emergency authorities to arrange such a flight.

I haven't agreed with some of the comments made against. Take everything with a grain of salt, and if some are wrong, forgive 70 times 70.

In the end we'll all stand before God and the problems of this life aren't worthy to be compared with what awaits us.

Obnoxious, rude Israeli backpackers and their IOF "Sabra mentality" are so annoying, destructive, abusive and disruptive in the countries they invade in Asia and South America, that they have become a listed tourist hazard.

The daily Israel HaYom (Israel Today) newspaper, in its most incredulous voice and nose seriously out of joint, was appalled that anyone could write this about the Israeli Jews, and cries, "antisemitism":

"According to Lonely Planet's new Chile edition, Israelis are listed among the hazards visitors can expect to encounter in the South American country, alongside random volcano eruptions, earthquakes, high crime rates in some cities and sandflies.

A new edition of the world-famous Lonely Planet travel guide has leveled another blow to the already not-so-savory reputation of Israeli tourists around the world.

According to the franchise's new Chile guidebook, tourists in the South American country should be prepared to encounter such hassles and hazards as random volcano eruptions, earthquakes, high crime rates, sandflies and obnoxious Israeli backpackers.

Israelis, the book's authors write, are loud, show flagrant disregard for local customs and are a nuisance to other travelers.

The unflattering excerpt was relayed to Jerusalem by a diplomat from the Israeli Embassy in the Chilean capital, Santiago.

The report added to the growing concern at the Foreign Ministry over the eroding image of Israelis in Chile, a hugely popular destination for the droves of young Israelis who travel abroad following their army service.

The reputation of Israeli visitors has plummeted in recent months, especially after the arrest and trial of backpacker Rotem Singer, who was arrested in Chile in December on charges of starting a massive wildfire in the Torres del Paine National Park.

Despite calls in Chile to be harsh with Singer and even imprison him, the prosecution accepted a plea bargain which was approved by the court."

Singer, however, protests his innocence and bleats to Israeli Army radio that he was railroaded by a "field trial" and given a lawyer who "spoke only Spanish," and didn't even know what the charges were against him.

"People in the street have cursed me, and I was concerned they would hurt me, as well," Singer told Army Radio following his arrest. "It's really important for me to say that I didn't do this. I was given a field trial. During the discussions I was assigned a local lawyer who could only speak Spanish, so I didn't even understand what I was being accused of."

Singer said that people hurled insults and anti-Semitic remarks at him while he was walking to the courthouse for his hearing, shouting that he was a "sh-ty Jew," and also that Israel should compensate Chile for the cost of the fire.

http://www.israelhayom.com/site/newsletter_article.php?id=3310

Oh, sure. He had no opportunity to get in touch with the Israeli embassy in Chile, or he with them, in a highly publicized case in the Chilean press. No bilingual Jewish lawyer came forward when read in the press.

And he's as innocent as a newborn lamb of either carelessness with a campfire, lighting an illegal campfire in the hottest time of year in Chile, or arson, particularly in a drunken fit or a petty act of vengeance for being busted by park authorities for violating camping regulations.

In any case, Jews at Ynetnews comment section covering the controversy over the Rotem Singer affair, discussed this among themselves in March 21 and confirm what the world knows.

Behind the ever-present Jew knee-jerk reaction to call everything “anti-semitism,” their comments are very insightful about how they view the even more obnoxious jerks that the institutional Israeli backpackers are, being drunk, stoned, over-sexed, pigs who litter everywhere, with a reputation for stiffing restaurant and inn and hotel proprietors.

Out of their own lips:

#6 - “The bad reputation of Israeli travelers follows us where ever we go. It crosses continents and we can’t keep saying it is a local problem of just those locals.

Anybody who has been on the backpacker circuits has seen how awful Israelis can behave. It is frequently appalling and almost always embarrassing.

One of the worst feelings when traveling is checking into a hotel, showing your passport and seeing the friendly welcome instantly evaporate.”

#8 - “It is time–HIGH time–that Israelis accepted that the post military Israeli kids touring ARE often VERY selfish, very rude and take getting out of paying for services a matter of pride.

I have heard merchants complain about Israelis from Alaska to China, to Thailand, to India, to Turkey and back again.

The accounts are of jumping out of taxis just before the destination, then running away rather than paying, staying most of the night and then complaining to hoteliers that the room was not clean and refusing to pay, ordering beers, drinking sot then claiming it was bad, and many more such tales that have nothing to do with prejudice.

It is strange that Israel and the IDF have never figured out that one of the most effective hasbara tactics available would be educating kids leaving service on how important it is to be ambassadors for the nation as they travel.

Instead, this global reputation for arrogance and aggression conforms the prejudice already ceded in many people’s minds.”

[Actually, the hasbara value has been figured out by Israhell and the IOF, where it is needed and where it is not, and commentator #21 points to where the hasbara is really being poured on, not to mention highlighting the Jews own racial supremacism and bigotry against any people of color.

Even among Jews in Israeli society, there is a caste system based on skin color with Ashkenazi at the top, Sephardim and Oriental Jews next including Kurdish Jews; then the Falasha or Ethiopian Jews.]

#21- “Something is going on there. Young Israeli tourists are well behaved in the U.S. and in Europe, but in South America and Asia they behave like spoiled brats.

I saw them in several countries, but the worst I’ve seen was in Thailand and Peru. Arrogant, dirty, noisy, disrespectful of the locals. It didn’t fit the sweet image of the Sabra at all. I saw a group of under-30 Israelis in Peru with significant wounds visible on their bodies after healing. War wounds I guessed and they confirmed it to me.

It is hard to describe their unruliness at the location we met...” and maybe the rest of the sentence in Hebrew has something to do with “spiritual healing.”
<http://www.ynetnews.com/Ext/App/TalkBack/CdaViewOpenTalkBack/0,11382,L-4196793,00.html>

Sure, Israeli Backpackers are even more rude, obnoxious, destructive, surly, racist bigots who bully indigenous populations, squatters who are more disgusting than the ultra-fanatic Israeli Settlers, out of control with too many drugs and “trance spirituality” than even many ordinary Jews, but it is antisemitic of anyone to notice it.

Antisemitic, too, of the Chileans to notice the “Israeli tourist” who through “negligence” in the middle of a Chilean heat wave, managed to destroy 57,000 acres of Torres del Paine National Park with numerous homes destroyed and one life lost.

Oh, just great. As if we weren’t up to our eyeballs in Jews now...

We have to learn from the Israeli press that US may drop visa requirement for Israelis

From Israel Hayom (Jan 12):

If the bill for the Visa Waiver Program is approved, it will add Israel to the 37 countries in the world whose citizens are allowed to enter the U.S. for a period of up to 90 days without a visa.

[Fat chance of any enforcement after 90 days, and after becoming Israeli illegal aliens who drop off the radar, nobody will be able to track them as they bury themselves in American Jewish communities, where they will magically become citizens with American names complete with all necessary documentation.]

The U.S. Congress is set to vote on Tuesday on adding Israel to the list of countries whose citizens do not require a visa to enter the United States.

The bill was drafted by Reps. Brad Sherman (D-Calif.) and Ted Poe (R-Tex.), and was signed by 25 others in the House of Representatives. Sen. Ron Wyden (D-Ore.) is expected to propose the bill to the Senate.

...

Similar efforts have been made to add Israel to this list in the past but the bills were not approved.

http://www.israelhayom.com/site/newsletter_article.php?id=7030

Sherman and Poe are taking up and reintroducing his old bill H.R. 5850 (112th): Visa Waiver for Israel Act of 2012 during the 112th Congress which died in committee.

Expect this to move fairly quickly in the House this time.

The previous draft bill can be read here. No doubt the new bill will be substantially the same. <http://www.govtrack.us/congress/bills/112/hr5850>

Dear Bubba,

Another guy I wonder about because he was parachuted into his job is Peter Mansbridge who reads the National News. Knowlton Nash had the job and was a journalist. He covered the Viet Nam war but he shoehorned Mansbridge into the job.

Mansbridge is a public servant paid by the taxpayers but he will not reveal his salary and is not called out on this. He was a baggage handler in northern Manitoba and not a journalist.

He may have dabbled in journalism at some tiny newspaper in Thunder bay or elsewhere in northern Ontario, but he never once broke a good story anywhere prior to landing the plum journalist job in Canada. I would like to know who his father was.

I rather suspect he was British and would not be surprised to find he came out of the same Cambridge milieu that produced Kim Philby and Mike Pearson.

Another odd duck was Barbara Frum who also read the national news on CBC. She was an American Jew from New York State and never a hard news journalist. She is the mother of David Frum who was George Bush's speechwriter and the guy who coined the term "Axis of Evil" in reference to the Muslim world.

Why did Canada's National News service, the CBC, parachute an American Zionist Jew named Barabara Frum to mould the important news on Canada's national news service?

The CBC really smells bad.

Barbara Frum's daughter and David Frum's sister is Linda Frum Sokolowski. Harper made her a Canadian senator (cash for life-no responsibilities but the power to quash anti-Israeli legislation) She sits on the Canadian government's "anti-terrorism" panel.

As one media wag said, they all drink their own bathwater.

I am not intending on slagging the average British person...its just that living in Canada I see the subtle caste system. The BBC and Jimmy Savile scandal makes feel that similar scandal will break here soon.

Richard here “wonders how many more incidents crazed Jews have planned to manipulate and guilt trip the gullible masses into giving up their guns and leaving them defenseless?”

I monitor the talmudvision and their wicked entertainment venues.

They are pouring on the diminution of whites in our society and pumping up blacks and especially mulattoes ALL across the board. It goes over most of the joodoo’ed (voodoo derivative) Goyim minds.

This all jumps out at the Jew-wise, now in high definition of course.

If die Juden decide that they are ready to kick it all off here for the attempt at total takedown, they have plenty of options.

Can you imagine what they could do with a false flag physical attack on Obama which a ready heavily armed white patsy was readily available to blame it on?

Let’s say we are told that he was a reader of RJN and other Jew-wise truth telling sites along with being a “prepper” and a “gun nut”

How long would it take Eric Holder and crew to kick in Operation Fast and Furious round II to places such as Detroit while simultaneously kicking in the crackdown on those stubborn white folk who cling to their outdated Second Amendment?

We could go on and on with other hypothetical situations which would lead to leaving the gullible masses defenseless. All of them not out of the realm of possibility because they have it before countless time throughout history.

When the CBC and National Film board were set up the people running the show were all English and many were communists which was fashionable at one time.

They had Canadian accented people in front of the cameras.

John Grierson, the first head of the National Film Board was a Glasgow communist. Now I don't know what the deal is. I think Barbara Frum was likely brought into the fold by the Jew Mark Starowitz when he ran the CBC. I don't really know.

I do know they always seem to be agenda drive. I get tired of them replacing hard news with comments like "Canadians think this and Canadians think that." The agenda driven Toronto Star does the same thing and usually has the same stand on the same subjects. An old boys' club I suppose.

The U.S. does not need Jews, Zionists, financial encroachers, ponzi scheme masters, national debt owner (national central bank linked to the global bank - Bank for International Settlements), atrocity engineers funded by taxpayers, Communists, social modifiers, technological abusers, biased mass mainstream,massive profiteers, and Christians to lead and inspire.

Americans must force themselves to evolve and transcend to escape the growing problem. Massacre, deception, accusation, high tech weapon, surveillance, finger pointing, financial abuser and criticism will not solve any problem. Because Americans already have Internet. They must learn to use Internet to advance and mature themselves.

Too many whites are refusing to leave Christianity, as too many Jews are refusing to leave their god-making financial practices in the 21st century. They are mostly Caucasians. Time for Caucasians to stop act like children and grow up. Let stop fighting, playing stupid boredom-curing games, and dropping hatred.

So, the world can be ready to rid the primitive oil technology for an improved energy technology (motionless electromagnetic generator, Telsa generator, or advanced hydrogen generator)

Buddhism warns that hatred can cause to you feel more powerful - like Incredible Hulk's strong-growing philosophy, such as increasing his anger in order to defeat his stronger opponent.

Two Jews (Stan Lee and Jack Kirby) invented Incredible Hulk because they were too familiar with hatred, uncontrollable greed, and power (all are intertwined). They were not well trained to understand that anger can be controlled and silenced. They marketed the anger-based products (Marvel Comics) to the American society. Bad influence.

Growing up, we only had FOUR TV stations, unless one had cable, and one of them was beamed in from the US.

CBC had a use-it reached remote areas of Canada. Of course if that was the only option, and no private sector could afford to service all of Canada, but it was easy to use it to shape public opinion.

They try to make Hockey the unifying force, some cut and paste phony nationalism and try to make us feel distinct from the U.S. ie "I'm Canadian because I'm not an American" sort of crap.

If you ask the average Canadian they really don't give a damn about the other provinces. Trudeau has fostered this with his divide and conquer.

Most Canadian provinces exceed the size of any European Country. Most Provinces are much larger than California or Texas.

We could easily be individual countries. In hindsight, the more I understand about Jewry and Imperialism it was crucial for their interests to go Coast to Coast with each nation (ie Canada and US) and thus keep us as "herded."

If it wasn't for various skullduggery, treachery and backroom deals, much of the South West of the US would be in Mexico. The US South would be its own country, and the US may have had another state between Alaska and Washington State.

Every year, somewhere around 50-60% of military trained “Israeli youth,” the discharged “twentysomething” veterans of the IOF, take off on the Post Military Trip (PMT).

The PMT is the official status that an Israeli soldier is discharged into when deciding to do so.

Post Military Trip (P.M.T.) is also a 2007 documentary film covering Israeli Backpackers in the music world that depicts the trance music sub-culture in Israel of “tolerance, alternative spirituality, and ground-shaking parties.”

It attempts to answer the question, “Ever wonder why about 70% of the world’s best trance music DJ’s are Israeli?” (IMDb)

Communications from Tel Aviv or New York coordinating bodies to Israeli Backpackers and their squatter colonies are organized and well-established, particularly through Chabad Houses and an Israeli drug-rehab entity known as Warm House supervised by ex-IDF soldiers.

The PMT network of Israeli Backpacker colonies is extensive. Popular areas of Asia for all trekkers includes Armenia and Georgia and the Caucasus region.

“After being discharged with a bonus of 15,000 shekels (about \$4,300) after three years of compulsory military service, an estimated 20,000 former Israeli soldiers travel to India. About 90 percent take drugs and 2000 of the Israeli ex-soldiers living in India ‘flip out’ each year. ” (YT blurb from Israeli documentary “Flipping Out”)

If the average income for an Indian is abut \$500 a year, the Israeli Backpackers have sufficient funds to remain for several years living the squatter lifestyle.

I have found nothing which says that while Israeli Backpackers are sexing, drugging, and rock-n-rolling and trancing it up for up to five years and more and calling it “spirituality,” that they are exempt from reserve duty and call-up as ex-pats, like for the Mossad.

Under mandatory service laws, men serve three years in the IDF, while women serve two. The IDF women who volunteer for several combat positions often serve for three years, due to the longer period of training.

Women in other positions, such as programmers, who also require lengthy training time, may also serve three years.

Women in most combat positions are also required to serve in the reserve for several years after they leave regular service, although not up to age 45 as are the men.

After personnel complete their regular service, they immediately enter reserve duty status, and the IDF may call up men for:

- 1– reserve service of up to one month annually, until the age of 43–45 (reservists may volunteer after this age)
- 2– active duty immediately in times of crisis

It has been in the back of my mind that with up to 50,000 tourist visas a year for Israeli Backpackers, and perhaps 100,000 Israeli Backpackers squatters with their own Jewish colonies in foreign countries, might not this pool of cash-strapped, drug-addled homicidal psychopath potential operatives be called up for some off the books black ops terror, drive-by bombings, assassinations, and wet work for cash, fun, unbridled sex and more drugs, such as in Thailand?

So far as I know, they are still considered military reserves by the IOF, even outside the country. I can find nothing that says to the contrary.

And, the Israhell government seems to know where the Israeli Backpackers are and are ready to push heaven and earth to transport them figuratively at a moment’s notice.

Take this Whynet.com article about the 2010 flash floods which occured across a region of the northernmost Indian state of Jammu and Kashmir known as the Ladakh. 71 towns and villages were damaged, including the main town in the area, Leh, which was left a heap of rubble.

We discover there was a colony of not 10, not 20 but 600 Israeli Backpackers in Leh.

The town is predominantly Buddhist and popular with tourists for its natural beauty.

August is the peak tourist season when thousands of western backpackers flock the area.

Leh receives about 25,000 foreign and 50,000 domestic tourists annually, according to Whinepedia.

In Leh, many buildings were destroyed including hospitals, the bus terminal, radio station transmitter, telephone exchange and mobile-phone towers. Public communication systems were fully destroyed. Communications were later restored by the Indian Army.

Aid workers originally estimated 25,000 people in Leh and surrounding villages were affected by the monsoonal deluge and thousands sought refuge in relief camps and rehabilitation centers.

Flooding and landslides washed away hundreds of houses, blocked roads and destroyed bridges around Ley town. All of the estimated 3000 tourists in Leh, including 1000 foreigners (600 who were Israelis) were safe according to local officials.

Switching to the Jew’s boasting, self-congratulatory point of view on Whynet:

Israeli Consul General in New Delhi Irit Shneor responded to Leh, where he spent two days commanding the rescue operation of 600 Israeli Backpackers trapped by the floods.

The Indian air force sent helicopters to evacuate the backpackers, and the army sent trucks to transfer Israelis to bases where they were provided food and medication.

The embassy arranged flights to take Israelis from the disaster zone to New Delhi.

...200 Israelis decided not to board the flights, choosing instead to stay behind and help with the rehabilitation and relief efforts. (I actually applaud these people for doing right, if they did for genuine humanitarian reasons, and not because it would make the Jews look good,

or were prompted by the Consul General)

“It is simply heart-warming,” said Shneur. “Some of the Israelis who served as combat medics in the military volunteered at an improvised hospital set up in the city. Some helped lift boulders and evacuate the rubble from the streets. Israelis make up half of all the foreign volunteers, which is truly impressive.”

Actually, 600/1000 of the foreign tourists were Israelis to begin with. Close to 50% of the Goyim remained, about 200 out of the 400 non-Jews, while 33% of the Israeli Backpackers remained.

Yet again, look at some of the numbers, and we find that the European, English and American Goyim trekkers at this popular destination actually gave more of themselves in proportion to the Jews, nor is anything mentioned by the Consul General applauding what these Goyim were doing to help the Indian rescue effort.
<http://www.ynetnews.com/articles/0,7340,L-3934985,00.html>

I tend to think these Jews may have done good from the heart, but the real test is how they treated the locals before the disaster. And, for several years now, there has been some effort to give PR training to Israeli Backpackers about projecting a better image as “ambassadors” of Israel in the PMT circuit.

I won’t begrudge their extensive labors on behalf of the Indian people from whatever motives. Nevertheless, it shows, however, just how cohesive the Israel Backpackers can be and operate like a military-trained team when called to.

“In India the ex-soldiers live in small communal settings and hotels segregated from the Indian population in locations they identify as Kasol sin or crime city.

The winter months are spend in Himalayan mountain areas and for the summer months the Israelis migrate to Goa to continue enjoying a lifestyle of large parties, use of virtually all drugs, including to marihuana, cocaine, LSD, ecstasy and other hard drugs.

Relations between Indians and Israelis are pragmatic but not friendly. As one Israeli points out, the Indians are like Arabs.

Conversely Indians consider the Israelis to be noisy, drug addicted and out of control.

Yet with an average income of \$500 per year they depend on the funds provided by the Israeli expatriates.” (YT blurb on Israeli documentary ‘Flipping Out’)

The Israeli government has funded through its Anti-Drug Authority and the Health Ministry the Israel based “Harmony Village” founded in 2001 by a group of IDF Reserve Officers, volunteers and professionals.

The Israeli Harmony Village NGO runs the Warm House drop in centers for the Post Military Trip, a “sort of community place in Israeli Backpacker colonies run by a former Israeli officer which welcomes all Israelis living there.” http://www.izun.org.il/eng_About.htm

The Jews are slippery with words, like using “Israel Youth” instead of actually describing just who the Israeli Backpackers are, and camouflaging the fact that the Post Military Trip sends herds of reserve military and combat veterans loose out into the world.

Israeli soldiers are conscripts, and there is an active duty obligation, and a reserve duty obligation. Unless this “former Israeli officer” is over the age of 45 completely discharged from the military, he is a reserve officer in the IOF, either active or inactive.

Israeli Chabad-Lubavitch has established 15 Chabad Houses designed for missionary outreach to Israeli Backpackers all over Asia from Turkey to Viet Nam, as well as other parts of the world. http://www.chabad.org/centers/default_cdo/aid/9316/jewish/Asia.htm

Israeli Backpackers (and itinerant Israel “Youth” tourists, such as the gypsy “Israeli Art Students”) usually register with a local Chabad House which acts as a central message and communications center and hospitality house for Jews. The Chabad rabbi follows Hassidic Judaism and the Chabad House becomes a kind of missionary spiritual rehab center to recuperate drug using and addicted former IOF soldiers.

For example, during the 2008 Georgian-Russian conflict, the Israeli embassy sought help from the Chabad representative in drawing up lists of all the Israeli Backpackers in Georgia, and contacting them with information about instructions for returning to Israel.

There were rumors of American Jewish and Israeli advisers during Georgia’s campaign, now it is easy to figure how they got out through the PMT Israeli Backpacker network without going through official channels.

Cristian Science Monitor writes about The Himalayas’ Little Tel Aviv [sometimes referred to by Jews as “Israelis’ Indian mecca”]:

There are so many Israeli Backpackers making a temporary home in one town [Dharamsala, majority ethnically Tibetan] in the Indian Himalayas that locals are worried the town is losing its distinct culture. ...

The increasing presence of the backpackers worries some residents. “Israelis come as tourists and in large number but all live as settlers, as if it’s their own homeland,” says Yonten Gyatso, a Tibetan gem-shop owner. ...

The increasingly “diverse culture around us is making us lose our own identity,” says Munna Thakur, a tribal Indian, as he stands in the middle of restaurants and cafes adorned with Jewish names.
<http://www.csmonitor.com/World/Global-News/2011/0629/The-Himalayas-Little-Tel-Aviv>

And these Jews usually treat the Nepalese, Tibetans, Indians, Pakistanis no better than Palestinians and Arabs.

It is not terribly difficult for Tel Aviv (or New York for that matter) to reach out to these Israeli Backpacker combat-trained inactive reserve military squatters, especially through the networks of international Chabad Houses and other Israeli Jewish missionary and rescue houses established in South Asia and India.

After all, if any of these Israeli ex-pats and permanent squatters were caught in a false-flag terror operation, if he or she is so drugged up, as an Israeli citizen he would receive immediate defense by the local Israeli embassy or consulate and the first plea would be diminished capacity because of the drugs.

That is, if Israhell couldn't whisk them out of the country fast enough.

True Stories:

One day a group of feminist leftist decided to make a boat trip on a sunny lake. They were all so dedicated for their mission and cause, which they had adopted from main stream media, that they all refused to sit on the right hand side of the boat.

Unfortunately that caused the center of gravity of the boat to move beyond acceptable limits and the boat turned upside down.

So the first question might be, was anybody hurt? Well, luckily not at this time.

The remaining question is, did anybody learn anything, I mean more than just how to swim?

This latter question is more than once in the lifetime, rather first at the lifetime, a story told by parents or grandparents and the wisdom passes from generation to the next generation, better known as culture.

Then came the printed word, then came the radio, then came the TV and then came the lies, as kids began to respect more massmedia as their elders.

I like old stories, like the national epic of Finland, the Kalevala. A story about Kalevan people, who lived their life with their dreams and passions, with their technology and with their neighbouring tribe the Northlanders and as the story goes on.

One incident was when Northlanders leader, an old evil wizardess Louhi promised her daughter's hand to Kalevans skillful blacksmith Ilmari, for a machine, that would pound money and wealthy.

Louhis daughter looked a woman beyond all limits for young blacksmith, and that in his mind, he made the impossible, a machinery called Sampo.

But old wizardess Louhi was only fooling young blacksmith, and Ilmari came back to Kalevala with empty hands.

Soon Kalevalas economy started to decline as Northlands economy raised because of the Sampo. Kalevans gathered together with their old and wise leader Väinö. Kalevans shouted, Sampo is our science, Sampo is our innovation, Sampo belongs to us.

With Väinös leadership Kalevans took a boat and rowled to Northlands to bring Sampo back home where it belongs.

As Kalevans were accrossing the big lake between Kalevala and Northlands, the evil wizardess Louhi showed her real nature, but this time Kalevans were ready to fight for their rights.

A good illustration about the defence of Sampo by finnish painter Akseli Gallen-Kallela:

http://upload.wikimedia.org/wikipedia/commons/b/b8/Sammon_puolustus.jpg

By the way, can anyone pick up Bernanke, Blitzer, Chertoff and Foxman from that painting?

On an old defunct computer with now lost files on Mumbai attacks from 26-29 November, I'd saved an older article, "A Bad Trip In India" from HaAretz Magazine about the tens of thousands of Israeli Packbackers and their major colonialization of certain areas of India and South Asia.

I felt there was a relationship.

It was written by By Aryeh Dayan describing the 2004 work of an Israeli Daria Maoz, who was writing her doctorate on Israeli backpackers in India.

Happy to say, I did manage to locate the lost article at IsraelForum.com dated 2-2012, re-posted from an Indian Facebook page by Jews in Israel Forum apparently in relation to the Jew-caused Chilean wildland fire case.

It is well worth copying to anyone's own files.
<http://www.israelforum.com/board/showthread.php?21348-Yikes!-You-would-do-well-to-remember-India-is-not-Palestine>

Excerpts from A Bad Trip In India at Israeli Forum:

The Indian consulate in Tel Aviv issues some 30,000 visas a year to Israeli backpackers and Maoz estimates that a further 20,000 take out visas at the Indian consulates in Thailand and Nepal.

[Pakistan also has trekking tourism in connection with India, Bangladesh, Nepal & Sri Lanka, but Israeli nationals are prohibited as Pakistan does not recognize Israhell.

It is said, however, Israeli stamps and visas would usually pose no problems for entry of a

non-Israeli into Pakistan, such as an American Jew, though they may be subject to more stringent questioning by immigration officers.

I have also read that it is not unusual for Israeli Jews to have two passports, particularly if their parents or grandparents were born in Germany or Hungary, which would make them duo-citizens of those countries.

If true, then bypassing the Israeli restriction is solved by presenting the non-Israeli passport to Pakistani officials.]

Israeli backpackers treat the Indians as if their sole purpose in life was to serve them.

They ignore the locals’ needs and feelings, treat them and their traditions with contempt and regard the Israeli enclaves as playgrounds where they can do almost anything they desire.

Uninhibited drug use is a prime example. “I don’t think that the Indians will continue to put up with the situation for much longer,” warns Maoz. “The hosts and the guests are sitting on a powder keg that could blow up at any moment.”

[Most interesting, however, was Moaz’s observations at a Chabad House in Dharamsala.]

“But when it comes down to it, says Maoz, they are a lot more interested in trance parties and smoking drugs than in spiritual practices.

“Judaism too sometimes finds its way into the heady mixture of trance, drugs and so-called spirituality.”

One of the strangest phenomena Maoz came across occurred at the Chabad House in Dharamsala, a center set up by Chabad Hasidim from Israel, which attracts dozens of Israeli backpackers every Shabbat.

Maoz visited the Dharamsala Chabad House on Rosh Hashanah and saw hundreds of Israeli backpackers taking part in a prayer service and festive dinner.

She also saw how after dinner the backpackers headed off to a nearby site for a trance and drug party that lasted some 42 hours.

A week and a half later she met them again at Chabad House where they had come for the pre-fast Yom Kippur meal.

After dinner Maoz saw the backpackers pass a joint. They called it “the pre-fast joint.”

Maoz also describes how the Israeli squatter enclaves in Dharamkot or Manali have become miniature Israhell ghettos with everything in Hebrew, and the takeover of the local native culture.

“The Israelis’ supposed interest in Indian spirituality is reflected in conversation among the backpackers, but not in action. Before they even leave Israel they know that ‘India is spirituality’.

Two days after arriving they are already dressed in white and telling each other that the ‘energy is flowing’ that they are living ‘here and now’ and that their ‘chakras are open’.

It’s a kind of instant spirituality, a sort of ritual they know they have to go through.

But when it comes down to it, says Maoz, they are a lot more interested in trance parties and smoking drugs than in spiritual practices.”

And that was just one example of where Israeli ex-military set up their squatter existence, indirectly or directly supported by the Israeli government in some way.

It was also the Chabad-Lubavich Nariman House in Mumbai which played so prominently a part in the Mumbai Attacks.

Interestingly, the very early Mumbai witnesses described some of the attackers as “white.”

This was later glossed over in the press that the Mumbai Indians meant “light skinned” native Indians or Pakistanis from northern India. The Indians most certainly know what they meant by “white,” meaning of European or Western origin, which they have known for centuries.

What Maoz described in Dharamsala’s Chabad House, would not be much different from the Nariman House in Mumbai.

From vosizneias after the attacks:

There are about 4,000 Jewish residents in Mumbai including 200 or so Baghdadi Jews, none of whom were associated with the Naman House.

The Baghdadis are descendents of Jewish merchants from Iraq, Syria and other Middle Eastern countries who arrived in the late 18th century in what was then British Bombay and quickly established themselves as leading businessmen, opening textile mills and international trading companies [particularly opium trade to China].

Most of Mumbai’s Jews have roots in a group known as the Bene Israel community, which claims to be descended from seven Jewish families who were shipwrecked on India’s shore

while fleeing persecution in the Galilee during the second century B.C.

Over the centuries, they adopted Indian language, dress and cuisine. Since India became independent, these Jews have often played influential roles in Indian society, including in government and Bollywood.

Chabad House activities were focused on Orthodox Jews visiting from abroad and encouraging greater religious observance among the Israeli backpackers.

Few Jews live in the Colaba neighborhood where Nariman House is, having moved to more affluent areas in northern and western parts of the city.

TabletMag.com ran a 2010 3-part article titled Lost in Goa:

“When Israelis complete their mandatory military service, many of them take flight to the beaches of South America, Asia, or India, where an informal network of veterans, hostel owners, and rabbis shepherd them back to civilian life.

This is the first in a three-part report filed from Goa, India. ...

“There is no shortage of Israeli head cases in Goa [a small state on the west coast of India].

“There are said to be 30,000 Israelis traveling in India between October and March of each year, during which time the IDF could easily muster a unit of Israeli backpackers for a Goan field operation.” [Yes, the author really said this.]
(tabletmag.com/jewish-news-and-politics/31970/lost-in-go/)

See <http://www.tabletmag.com/author/mschwarzf> for access to all three parts of Lost in Goa.

Things are so now bad in Goa that Whynet complains that the local Catholic churches “in the Indian state of Goa slams Israeli backpackers in the area, referring to them as inhumane.

“The letter, drafted by local church officials in Goa, was sent to churches in Jerusalem and in the Palestinian authority in the aims of showing solidarity with Arab Christians living in Israel and in the territories.”

Interesting:

Iceland is held up as an example of how to take back control of one’s country from the Banksters and their ilk. (Reminds one of National Socialist Germany).

Iceland: Population 320,000

http://en.wikipedia.org/wiki/Religion_in_Iceland

Interesting list re religions:

QUOTE:

Judaism

Main article: History of the Jews in Iceland

The number of Jews is estimated to be about 90 members.

The Jewish population is not big enough to be registered as a separate religious group and is listed as unspecified/other groups. There is no synagogue or prayer house.

Agree that intra differences hurt Christian unity and prevent response to major concerns when needed because of internal squabbling.

Necessary to get the big picture and not let the trees obscure the forest.

This means having patience, understanding, better listening and forgiveness instead of contempt for fellow Christians.

Jesus was gentle with His own.

Dear Bubba,

Here is some juicy Jewish/China information. Wheb Bob Rae left Ontario politics (after bankrupting Ontario)he went to work for the law firm of Goodman and Goodman. It was created by the late “Fast Eddy Goodman” and was known as the most influential media law firm in Canada.

Eddy Goodman was in the Canadian tank corps under Peter Worthington’s father. When Worthington wanted the money to start the Toronto Sun he went to fast Eddy Goodman and Goodman and five other rich Jews including a guy named Bratty who owns the Brascan mining company provided the cash.

They owned the old Toronto Sun. Its now owned by French Canadians.

Anyhow at the time the British were about to be hand Hong Kong over to China. A lot of rich Hong Kong business men were worried the Commies would steal their wealth so Goodman hired Bob Rae to encourage them to come to Canada.

The most famous was Li Kai Ching, the richest man in Asia. He bought 10% of CIBC bank, the most the law allows one man, and rumour has it his proxies held another 20%.

Li Kai Ching hooked up with the above forementioned Peter Monk and together the bought a big chunk of the old CNR railway yards on the Tornto waterfront. This is a very valuable piece of property. I don’t know who owns it now.

Li kai Ching kissed and made up with the head of the Red Chinese army and together they have been developing the land around Tianamen Square. He also owns a company called Hutchinson Wampoa which bought the Panama Canal. His sons tried to buy Air Canada. Tom Fennel wrote a book about him.

The Canadian media says he made all his money manufacturing plastic flowers, but if he did, I guess that the flowers were either injected into your arm with a needle or snorted.

The Canadian media is not very competent. Two famous Canadian crooks ran free in Canada for years and the press knew about it but never touched them.

The US media had to expose them and they were both arrested, convicted and did their time in the US. They were Conrad Black (former owner of the Jerusalem Post) and Al Eagleson.

Bob Reguly told me he quit the Toronto Star 10 years before Al Eagleson was convicted and jailed, because he had that story and the Toronto Star, where he worked would not print it.

Anyhow this wave of Chinese immigration also include the 14K Hong Kong Triad which is now very powerful in Canada.

Chiang Kai Chek was a hit man for the 14K Triad years ago. Oddly enough I met a guy in the American military who told me Chiang Kai Chek and Mao Tse Tung married sisters from the same family.

I don’t know if this is true but if so it would be a strange coincidence in a nation with a billion people and would lend credence to the idea that the left and the right are exactly the same people being financed by somebody else.

As the Hong Kong transition took place, the RCMP hired members of the Hong Kong police as advisers to tip them off about the bad guys coming to Canada.

There is a retired RCMP officer named McAdamson or something similar who know the whole story. He apparently now lives in a guarded house with bullet proof windows.

At one time the RCMP was an excellent intelligence service, far better than Britain’s MI5 that was totally riddled with KGB spies from the top down. Pierre Trudeau trashed the old RCMP and replaced them with CSIS. The Liberal party then appointed Bob Rae to oversee CSIS at one time. Very disturbing.

At any rate Bob Rae was at the heart of importing Hong Kong Chinese from all walks of life into Canada, and there is no doubt in my mind whatsoever that if he wanted to he could name all the top organized crime figures in China.

As for Bob Rae not knowing he was Jew until he was an adult, as Wikipedia says, well if you believe that I have a bridge named Brooklyn that you might like to buy.

Dear Bubba,

Bankrupting the provice of Ontario is a pretty easy thing for a politician to do.

Just give in to the demands of every public service union in the province such as the Ontario teachers’ union. Nobody wants less. They all want more and so you just open the flood gates in the motherhood name of providing a better education for children.

I believe at one time Rae was both a teacher and active in the teachers’ union. Then you go to New York Banksters for loans to pay the bills and voila - you have taken the strongest economy in Canada and put it into the hands of Jewish bankers.

Incidentally, Bill Davis, who was the premier of Ontario before Bob Rae and who always stressed spending more on education was owned by the Jewish lobby. The above

aforementioned “Fast Eddy Goodman” who Rae worked for was his bag man and raised all the money for his elections.

So there you have fast Eddy Goodman at the back of both conservative Bill Davis and the socialist Bob Rae in Ontario and both spending money like mad on education. One rich Jew - Fast Eddy Goodman -pulling the strings of both political parties.

For anyone interested in Canad’s best know family — the Bronfmans — here is a good google. Its a complete book about them available at:

“The Book That Drove Kissinger Crazy - Dope, Inc.” I only read a few paragraphs at the beginning but it certainly looks interesting.

I believe they are major share holders in Time Warner so they also own part of CNN and other American publications like Time Magazine so eve as Canadians or foreigners they do have great influence of US politics.

That’s exactly what I was referring to, KathJ, about Talmudic Judentum’s snakelike encroachment via IDF “backpackers.”

I had run across some of the video footage of these deranged agents of Israhell several years ago. Their encroachment into other countries via the “backpackers in rehab” is not widely known even in our circles.

“Israelis come as tourists and in large number but all live as settlers, as if it’s their own homeland,” says Yonten Gyatso, a Tibetan gem-shop owner. ...

The entire world is their “homeland” you see. Why shouldn’t they act this way? This is why they renamed the JSA The Homeland after they pulled off 9-11.

It is why their 21st Century NKVD is named Homeland Security.

Soon - almost to the day, it’s a century now - the Jews in Turkey took the Christian Armenians guns. In 1917 the Jews took all Christian Russians guns.

Everything the Jews do is about the Jews taking control of our state/country. That and nothing else matters. Simply because if the Jews can control the state, the Jews can do anything they want - with impunity.

When the Jews control the state, the first law the Jews will write is gun ban - to white Christians. The Jews did it in Turkey and the Jews did it in Russia.

When the Jews control the state ONLY Jews can have guns. And once the Jews control all the guns - the Jews control the state!!!

And that is how the Jews take control of the state - gun ban to all non-Jews. Once the Jews controls all the guns the Jews can kill anyone, torture anyone, rape anyone and steal anything they want. Control the state and you’re “God” on earth.

To enhance their power the Jews pit stupid non-Jews against each other. In America the Jews have pitted stupid Blacks against all White people. Many Blacks think that they have every right to treat White people in anyway they want.

In America 35,000 White women are raped by Blacks - every year. This is official FBI statistics.

“Here’s the Shocking Proof: 37,460 Black Rapes or Sexual Assaults on Whites, 0 White sexual attacks on Blacks!”

<http://www.davidduke.com/?p=3567>

I spoke to a Black from South-Africa who was visiting his daughter. I asked what he thought of White people. His answer, and this is a quote: “I hate them!”

The Jews have started every single “black liberation” organization in the whole world. ANC and the communist party in South-Africa or NAACP in America, same thing - the Jews pitting the Blacks against the white people.

You think the Jews would hesitate a sec to use Blacks as their proxy army to gun ban all White Americans? So did the Christian Armenians and the Christian Russians. But the Jews would never do that to White Christian Americans?

Ted Gorsline:

Do you have any info on Izzy Asper?

A comment on another blog said that Aspers father had collected funds for Jews that once lived in Europe and moved to Canada.

Izzy was supposed to take the funds and distribute them, but instead used the funds to buy

TV stations.

The more you look at it the cause of all the world’s problems for the last 350 years seems to be a handful of Jewish banking families led by the Rothschilds.

Various estimates put the value of the Rothschilds alone at from \$100 to \$600 trillion dollars (slightly more than half the worlds wealth) and yet Jewish Magazines like Fortune do not even mention their names. They stay in the shadows.

We are distracted by the focus on rich Goyim like Bill Gates and Warren Buffet. And when it comes to crime the spot light goes on the Italians.

The key to maintaining the control is debt or the biblical usury. They seem to toss a bit of money to the left and a bit to the right getting nations, brothers and states to either go to war with each other or go bankrupt.

They prolong the wars with their money propping up this side or that a bit at a time for as long as possible to run up the debt and then finance their favorite son to win but only after he is extremely far in debt.

They do not seems to pay taxes and move money around in many ways such as with precious stones. Thus we end up with Jews named Diamond and Goldsmith. You can wear a \$10 million stone on a ring and carry it across a border without being taxed. Thus the Jewish control of the Democratic Republic of Congo.

But all the Goyim who produce good and services and make their money from good ideas be they JP Morgan (railways), Henry Ford (cars), or Thomas Edison (electricity), Bill Gate (computer programs) gradually lose all their money in a few generations. But not the rich Jewish bankers.

They cling to it like a dog clings to a bone because without it they are empty shells that when blown upon turn to dust. Money is their only God and has been since the snake slithered into the garden.

Dear bubba,

I don’t know anything about Izzy Asper except that he is from Manitoba and the two main Jewish centers in Canada I believe are Winnipeg and Montreal.

The Jews had a lot of sweat shops In Toronto around Spadina Ave but I think they have been replaced by the Chinese. They have likely moved to Rosedale.

I think Asper and Conrad Black created the National Post now controlled by Paul Godfrey who is also the head of the Ontario Gaming Commission and seems to want to bring Sheldon Adelson and his gambling casinos to Toronto.

Dear Hoff,

I was in Kinshasha in about 2005. I had dinner with an African who I was introduced to as a police chief. I don’t know if he was “the” police chief in Kinshasha or “a” police chief in Kinshasha.

I asked him who controlled the Congo and he said “very tough Jews” from Antwerp, meaning sadistic. They are after the diamonds. I have also been told, but cannot confirm, that the Belgium mercenary who manages Laurent Kabila is Jewish.

In addition a friend tried to get to Nimule on the Nile River in the Sudan a few years ago to look at an old an abandoned safari lodge. He had to turn back because it was too dangerous.

While there he met the main weapons trafficker in the area. She is an Israeli grandmother who like flowers. She carries two books with her. One is a book of flowers. The other is catalogue of the weapons and RPGs she sells.

America is supposed to be anti-communist so I cannot get my head around the fact that when the South African army routed and then surrounded the local communist and Cuban armies in Luanda, Angola, with their Russian advisers, it was Henry Kissinger who told them to stop, thus keeping the Angolan oil wells from being captured.

Who was he working for?

Hoff, I guess the answer to the above is who owned the Angolan oil wells that the South African army was about to capture?

Who are the main shareholders and who sits on the board of directors? I don’t know but would not be surprised to find Henry Kissinger is one.

Yes, the Jews want the guns of American citizens — despite what the 2nd Amendment says.

The plan is to disarm the populace before the coming global economic crash that will decimate the American economy—rendering the nation to 3rd world status.

With a populace disarmed, it will be easier for the International Jewish Rothschild empire to prevail over the patriots.

The plan is to further militarize the educational campuses of America (always hotbeds of resistance and rebellion) by installing ARMED police state agents on campuses throughout America.

Welcome to the new JEW sponsored and funded Nazi 4th Reich in America!
